

Attention Interested Petrol Station Dealers

We are a Limited Liability Company operating as an independent marketer in the downstream sector of the Oil and Gas industry and duly licensed by relevant government agencies such as the Department of Petroleum Resources (DPR), Nigeria National Petroleum Corporation (NNPC), amongst others.

We own and operate petroleum products service stations in the South East and South-South of Nigeria with large holding and dispensing capacities.

In an effort to boost our retail sales, we are searching for experienced and interested dealers, who meet the following eligibility criteria, to apply under our dealership scheme.

A. Verifiable and sound track record/evidence of over 5 years of having successfully run a service station in a busy and accessible location.

B. Demonstrate capacity and willingness to raise a revolving security deposit.

Interested dealers should mail us onfillingstations2014@hotmail.com expressing their interest and preparedness to go into such a dealership arrangement with documentary evidence of track record on or before **26th September 2013**.
