

**Call for Expression of Interest at Association for Reproductive and Family Health
To: Civil Society Organizations / Community Based Organizations for Orphans
and Vulnerable Children (OVCs) in Lagos State.**

Background:

Association for Reproductive and Family Health (ARFH) is a leading indigenous not-for profit, non-governmental organization established in Nigeria in 1989 in response to the health and social needs of the disadvantaged groups in rural and urban communities ARFH is committed to improving the quality of the life of the people in Nigeria and elsewhere in sub-Sahara Africa. Since its inception, ARFH has consistently responded to the public health challenges including HIV/AIDS, Tuberculosis, Malaria, maternal mortality and morbidity and sexual and reproductive health problems in Nigeria.

ARFH has just been awarded a USAID grant to implement a 5- year (2014- 2018) family-centred Local Partners for Orphans and Vulnerable Children (LOPIN) Project titled “Accelerated and Sustainable Approach to Mitigate Impact of HIV/AIDS on Children and Caregivers (ASAMIHAS)” in selected states in the country, including Lagos State. The project in Lagos aims at expanding access to sustainable care and support services to 151,300 OVCs and 6050 households over 5 years.

ARFH is delighted to announce the release of this call for Expression of Interest for local Nigerian Civil Society Organizations/Community Based Organizations to implement interventions for Vulnerable Children (OVCs) in 5 local governments in Lagos State under this project. Notes of Expression of Interest is being solicited for sub-grants from CSO/CBOs who have the capacity, drive and hands on experience to provide comprehensive, coordinated care for vulnerable children, while building household capacity to care for their own children as frontline providers of care and support The Local Governments are Ikorodu, Agege, Epe, Kosofe and Ojo.

Successful organizations will be contributing to the overall project goal of improving the quality of life of OVCs, their caregivers and their households. Successful CBOs will be funded by USAID through a Grants Mechanism managed by ARFH. Successful organizations are expected to work in collaboration with state and local government structures as well as the private sector.
