### **Request for Expressions of Interest Jebba Hydro Electric Plc**

#### **Jebba, Niger State Federal Republic Of Nigeria-Special Repair and Overhaul Works On Four Units in Jebba Power Station”**

#### **Consulting Services**

To be funded by JICA Loan (under discussion)

#### **Invitation for Expressions of Interest**

The Jebba Hydro Electric Plc (the “JHEP”) intends to finance the assignment/services described below under an Official Development Assistance loan (the “ODA loan”) from the Japan International Cooperation Agency (the “JICA”).

#### **Project Background**

JHEP is a wholly owned company of The Federal Government of Nigeria (FGN). JHEP’s Power plant with rated output of 578.4 MW is a major and most reliable facility in Nigeria Power Industry, however, it hasn’t undergone a full-scale overhaul since being operational in 1983 and the advancing deterioration of equipment at the station signifies that it is in urgent need of renovation. “FGN” has therefore applied for a loan from “JICA” to rehabilitate four of the six hydroelectric power generation units in JHEP’s Power plant.

#### **Scope of Assignment**

To achieve the above objective, the consultant will undertake the following services, including, but not limited to:

- (1) Overall Project Management
- (2) Review of Pre-investment Studies
- (3) Basic Design Reports
- (4) Preparation of Documents for Expression of Interest (Pre-qualification) and Evaluation
- (5) Preparation of Tender Documents
- (7) Tender Assistance
- (8) Assistance in conclusion of contract with the successful tenderer
- (9) Renovation Work Supervision
- (10) Environmental Monitoring
- (11) Capacity Development
- (12) Institutional Strengthening for Project Sustainability
- (13) Financial Management
- (14) Project Monitoring and Evaluation
- (15) Documentation of Replicable Experiences
- (16) Services during Defect Liability Period (DLP)

The project is expected to span over a period of about 6 years.

**Contents of Expression of Interest.**

The JHEP now invites eligible consultants to indicate their interest in providing the services. In order to be pre-qualified, interested organizations are required to submit the following information: Evidence of experience in at least three (3) assignments of similar nature and complexity completed within the last five (5) years with verifiable letter of contract award and certificates of job completion and details of ongoing services;

- Company's registration with appropriate professional bodies;
- Company profile with a copy of Certificate of Incorporation, Memorandum and Articles of Association, forms CAC-2 and CAC-7, where registered in Nigeria and Joint Venture/Consortium Agreement (where applicable);
