Expression of Interest

WaterAid is a UK registered international charity dedicated to the provision of safe water, sanitation and hygiene to the world's poorest people. We support local organisations to manage low cost, sustainable projects and also provide policy support to secure the right of poor people to safe water and sanitation services across the world. WaterAid has worked in Nigeria since 1996 and partners with the government and people of Nigeria to develop sustainable access to Water, Sanitation and Hygiene,

Towards our programme implementation for the current year, WaterAid Nigeria hereby invites eligible companies / suppliers to submit quotations for the supply of fool boxes to our partners in Plateau, Bauchi and Benue states.
