

World Health Organization

Expression of Interest World

The World Health Organization (WHO) Nigeria Country Office maintains a vendor database to facilitate inclusive and transparent procurement of goods and services. In an effort to expand the scope and number of vendors, WHO Nigeria is currently updating her vendor database. Interested vendors and service providers are requested to access the application form at: <http://www.afro.who.int./en/nigeria/contacts.html>.

All vendors already registered with WHO Nigeria, who wish to continue doing business with the organization, are requested to resubmit their information in the revised format.

Completed applications should be sent in sealed envelopes **on or before 8th June 2015** to:

**The Procurement Unit,
World Health Organization Nigeria,
Rivers House (Building 2)
83 Ralph Sodeinde Road
Central Business District
Abuja, Nigeria**

Applications sent by mail should be marked "Expression of Interest 2015" with category at the right hand corner of the envelope.

As part of the prequalification process, WHO may visit the vendors/service providers to verify the claims indicated in the expression of interest form? Only pre-qualified vendors will be eligible to participate in WHO procurement processes of goods and services.

This call for Expression of Interest is not a binding legal contract and does not commit WHO financially or otherwise. WHO reserves the right to change, cancel the requirements as well as accept or reject any or all the proposals without any obligation to inform the applicants or provide any explanations for her decisions?

For any clarification on any aspect of this Expression of Interest advert, please send an e-mail to toafwcongvendorregistration@who.int with "Expression of Interest" as the subject line.
