

Total Nigeria Plc.

RC 1396

Expression of Interest for Supply and Maintenance of Jet Wash Machines for Total Network Stations Across the Country

Total Nigeria Plc., requires the services of a Jet wash contractor to supply and maintain modern Jet wash machines to be installed in Total Service stations car washes across the country. The Jet wash machines will be installed in new and existing car wash sites in our service stations.

THE COMPETENCIES EXPECTED FROM THE SERVICE PROVIDER ARE:

- Technical capacity to handle all mechanical and electrical details involved in the installation of the machines
- Technical know how about hydraulic systems and water/waste treatment
- Financial capacity to procure, import, clear and transport machines to Total Service stations
- Logistics capacity to handle various installations spread across Nigeria

The Evaluation of Service Providers will be based on the Following:

- Clear Technical know how
- Financial capacity
- Experience with jet wash machines
- Evidence of company spread in various parts of the country
- Safety processes

Organizations interested in this Expression of interest must express their interest **on or before 10thOctober 2016 to: jetwash@total.com.ng** by sending a dossier detailing competencies and experiences in the criteria stated above including evidence of previous projects, key clients and internal processes'
