Dear Sir,

We would like to call your attention to the uncompleted state of the following project:

It has come to our attention that despite the fact thata lot of public funds have been allocated to the completion of these projects within the 2014 Budget, they are yet to be completed and we would like to appeal to you to use the powers available to you within your office to ensure these projects are commenced and completed in good time.

The people of these Local Governments are in desperate need of this service from you and it is pertinent that you justify the powers which the Nigerian people have invested in you to ensure the completion of the above projects contained within the 2014 Federal Government Constituency Project.

For any enquiries/clarifications, do not hesitate to contact us through these phone numbers: **+234 (802) 9455583** or **+234 (703) 4944492**, or via email: seember@procurementmonitor.org or oluseun@yourbudgit.com
