Dear Sir,

FEDERAL CONSTITUENCY PROJECTS

We would like to call your attention to the uncompleted state of the following project:

- **Construction Of 2 Blocks of 3 Classrooms In Oluke Pry Sch, Ososun; Ac Pry Sch, Oke Aro, Ifo, Ewekoro** contained within the 2014 Federal Constituency Budget, within the duties of the Ministry of Education, for **Twenty million Naira (N 20, 000, 000)**.

It has come to our attention that despite the fact that a lot of public funds has been allocated to the completion of this project within the 2014 Budget, it is yet to be completed and we would like to appeal to you to use the powers available to you within your office to ensure that this project is commenced and completed in good time.

The people of these Local Governments are in desperate need of this service from you and it is pertinent that you justify the powers which the Nigerian people have invested in you to ensure the completion of the above project contained within the 2014 Federal Government Constituency Project.

For any enquiries/clarifications, do not hesitate to contact us through these phone numbers: **+234 (802) 9455583** or **+234 (703) 4944492**, or via email: seember@procurementmonitor.org or oluseun@yourbudget.com

Thank you for your co-operation and we look forward to working with you to achieve a better Nigeria.

Yours sincerely,

Seember Nyager
