On behalf of Budget Information Technology Network and the Public and Private Development Centre (PPDC) and in accordance with the provisions of the Freedom of Information Act 2011, I write to request for records with details of the sums released to MDAs in the first, second, third and fourth quarter of 2013 for capital projects.

In a statement by the Ministry of Finance early this month, it was stated that N1.01tn was released for capital expenditure with a sum of N598.4bn utilized as at end of third quarter.

I would therefore kindly require the information provided in this regard to include:

1. The name of the MDA to which payment was released
2. The name of the capital project for which payment was released
3. The date the payment was made to the MDA
4. The amount of payment made to the MDA for each capital project undertaken.
5. The amount currently utilized by each of these MDAs for the listed projects.

I would appreciate the receipt of documents with this information promptly and in any event, not later than 7 days of this application as required by the Freedom of Information Act, 2011.

We will appreciate that this information requested above is proactively released on a quarterly basis for purposes of transparency and civic monitoring and in accordance with S2 of the

Freedom of Information Act 2011. This would greatly decrease the administrative burden of responding to requests for information for routine public expenditure information such as has been requested here. .

Should you require any clarification regarding this application, please do not hesitate to contact us either by phone; 08029455583 or by email; seember@procurementmonitor.org or kindly direct all hard copy correspondence to our Abuja contact office referred to above.

Yours Sincerely,
