RE: REQUEST FOR PROCUREMENT RECORDS AND INFORMATION ON THE ALMAJIRAI SCHOOLS

I am directed to acknowledge receipt of your letter dated 29th June, 2015 on the above subject matter.

I am further directed to draw your attention to the fact that we were planning to process documents relating to your earlier correspondences with the caption 'List of Schools and their Locations' dated 16th and 22nd June, 2015 respectively. In line with these earlier correspondences we requested your representative to visit our office on 30/06/15 for the project list.

Your additional request for further details including 'Needs Assessment for all the Almajiri Schools', 'Rationale for siting the schools in the 36 States of the Federation', and 'Cost and status of each project' are demands which would require sourcing information from our parent Ministry and may not be readily available within the period you have specified.

However, in view of the time constraints and since your request could further enhance ongoing sensitization of the general public on this laudable Federal Government initiative, we recommend that you channel your request directly to the Federal Ministry of Education for a more prompt and comprehensive submission on the areas you have listed.

Thanking you for your cooperation in this regards.
