Re: Freedom of Information Request for 2014 Audit Report Of Office of the Auditor-General of the Federation

Thanks for your application for information, in which you applied for Audit Report of Federal Government Accounts for 2014 financial year.

This request has been handled under the Freedom of Information Act, 2011.

However, after a careful review of the information, it is my opinion that, the National Assembly has a greater interest in the information, as Section 85(2) of the Constitution of the Federal Republic of Nigeria states that "The public accounts of the Federation and of all Offices and Courts of the Federation shall be audited and reported upon by the Auditor-General who shall submit his reports to the National Assembly; and for that purpose, the Auditor-General or any person authorized by him on that behalf shall have access to all the books, records, returns and other documents relating to those accounts".

In light of the foregoing, you may wish to channel your application appropriately to the National Assembly.

Please, accept the assurances of the Auditor-General's highest regards.
