

Haulage Trucks required for Fuel Distribution Nationwide

Conoil Plc, Nigeria's major oil marketing company requires the services of established haulage companies/transporters to increase the number of trucks in our fleet. This is aimed at delivering petroleum products to our expanding retail outlets, corporate, and individual customers across the length and breadth of the country in an efficient, timely manner. Interested haulage companies/transporters must be of good repute.

Requirements

- 25 million Naira (N25,000,000.00) bank guarantee
- Minimum of twenty five (25) trucks of at least 33,000 liters capacity each
- Truck age: 0 – 5years
- Copy of company's certificate of incorporation

Application Details

- Company information, including history and management structure
- Address of operational base
- Number of trucks available, relevant capacities (liters) and age of truck
- Brand of each truck
- Photocopies of comprehensive insurance and vehicle registration

Method of Application

All applications must include the details above and be addressed to The Managing Director, 1, Conoil / AP Road, off Naval Dockyard Road, Apapa, Lagos or PMB12915, Marina, Lagos.

Online applications should be sent to: supply@conoilplc.com. All applications should reach us on or before 25th June, 2013
