The proposed scope(s) covers as listed but not limited to the work items listed below.

S/N	Services	Brief description of scope of Work (include but not limited to the understated)
1	Whip stock/ Milling services. Tender No: EXP/DRI/TD/0718/0133A Product code: 3.05.19	Engineering pre-job design. Mobilization and Demobilization of personnel and equipment. Whip stock/ Milling services

		<p>Provision of equipment/ Consumable requirement and back-ups for whip stock/milling tools.</p> <p>Submission of a comprehensive report at the end of the job executed.</p>
2	<p>Gyro Services Tender No: EXP/DRI/TD/0718/0134A Product code: 3.04.25</p>	<p>Mobilization and Demobilization of personnel and equipment. Provision Gyro Tools (All primary tools must be of latest generation).</p> <p>Provision of back up tools for each service at the well site.</p> <p>Provision of consumable/ spares and other related equipment and personnel for gyro Services.</p> <p>Provision of QA/QC Plan and certification for all equipment</p> <p>Submission of a report at the end of the job executed.</p>
3	<p>Cementing and Pumping Services render No: EXP/DRI/TD/0718/0135E Product code: 3.04.03/3.04.18</p>	<p>Engineering pre-job design. Mobilization and Demobilization of personnel and equipment.</p> <p>Cementing & pumping equipment with associated accessories.</p> <p>Provision of Equipment / consumables requirements and back-ups for Cementing & pumping equipment.</p> <p>Provision of competent Personnel for Cementing & pumping Services.</p>

		Submission of a report at the end of the job executed.
4	Fishing & Downhole Drilling equipment rental and services Tender No: EXP/DRI/TD/0718/0136C Product code: 3.04.11 and 3.04.36	<ul style="list-style-type: none"> • Mobilization and Demobilization of personnel and equipment. Fishing equipment and services during drilling, completions and workover operations. Provision of competent personnel and engineering support for performing the work effectively. Drilling Jars & other drilling Rental Tool equipment Consumables / spare parts, Other related equipment and personnel.
5	Reamer and Wellbore Management Tender No: EXP/DRI/TD/0718/0137C Product code: 3.04.01	Hole Opener. Mobilization and Demobilization of personnel and equipment. Casing Section Milling. Wellbore under-reamer and Associated personnel and Logistics Services
6	Conductor Piling Services Tender No: EXP/DRI/TD/0718/0138A Product code: 3.04.02	Engineering pre- job design. Mobilization and Demobilization of personnel and equipment.

		<p>Provision of S90 Hydraulic Piling Hammer complete with power pack or equivalent.</p> <p>Provision of accessories and competent personnel for the services.</p> <p>Submission of a report at the end of the job executed.</p>
7	<p>Provision of Rig Inspection Services Tender No: EXP/DRI/TD/0718/0139C Product code: 3.04.23</p>	<p>Provision of rig inspection services. Provision of technical support services.</p> <p>Submission of detailed report of works carried out.</p>
8	<p>Consultant Drilling Supervision and other consultancy services Tender No: EXP/DRI/TD/0718/0140E Product code: 3.01.07/3.02.01</p>	<p>Provision of various consultants (Drilling & Completion supervisors, marine supervisors, materials& logistics supervisors, QA/QC supervisors, Geologists, etc. Project Management and Job Planning.</p> <p>Onsite Supervision of rig/wellsite drilling and completion operations.</p> <p>Onsite Supervision of rig/wellsite marine operations.</p> <p>Provision of Technical Support Services.</p> <p>Submission of detailed report of works carried out.</p>
9	<p>Casing accessories Tender No: EXP/DRI/TD/O718/0141B Product code:</p>	<p>Provision of Equipment and Third Party services all on call -off basis.</p>

	3.04.04/3.04.05/1.01.04/1.01.05	<p>Mobilization and Demobilization of personnel and equipment.</p> <p>Casing accessories: Float Collar, Float Shoes, Top plug, etc.</p> <p>Centralizers, Clamps, Bottom Plug</p> <p>Consumables / spare parts; and</p> <p>Other related equipment</p>
10	<p>Completion Fluids Engineering Services Tender No: EXP/DRI/TD/0718/0142C Product code: 3.01.15</p>	<p>Engineering pre-job design. Execution of Completion Fluids and Engineering Services.</p> <p>Provision of Equipment/consumables requirements and back-ups for Completion Fluids and Engineering Services</p> <p>Provision of competent personnel and engineering support required for performing the work effectively and efficiently.</p>
11	<p>Machining & inspection, supply of pup join and cross over Services. Tender No: EXP/DRI/TD/0718/0143C Product code: 3.05.18</p>	<p>Engineering pre-job design. Mobilization and Demobilization of personnel and equipment.</p> <p>Execution of Machining, cross overs and inspection services.</p> <p>Provision of Equipment / consumables requirements for the job executed.</p>

		<p>Drilling and completion machining related items and services.</p> <p>Provision of competent personnel for the machining and inspection services.</p> <p>Submission of a report at the end of the job execute</p>
12	<p>Telecommunication Services Tender No: EXP/DRI/TD/0718/0144A Product code: 3.11.09</p>	<p>Engineering pre-job design. Provision of telecommunication services.</p> <p>Provision of competent personnel and engineering support required for performing the work effectively and efficiently.</p>
13	<p>Pollution control services Tender No: EXP/DRI/TD/0718/0145A Product code: 3.05.21</p>	<p>Engineering pre-job design. Mobilization and Demobilization of personnel and equipment. Execution of pollution control Services.</p> <p>Provision of Equipment / consumables requirements and back-ups for pollution control Services.</p> <p>Provision of competent personnel for the pollution control Services.</p>
14	<p>Provision and installation of Mooring Pins. Tender No: EXP/DRI/TD/0718/0146B Product code: 1.02.05/1.13.01/3.06.08</p>	<p>Provision and installation of mooring pins in swamp locations. Mobilization and Demobilization of personnel and equipment. Provision of competent personnel for the installation of the mooring pins.</p>
15	<p>Provision of vehicle rentals for logistics Tender No: EXP/DRI/TD/0718/0147B Product code: 3.08.17</p>	<p>Provision of crew buses, cars, Hilux, light trucks, etc Fuelling of the vehicles Provision of competent operators and drivers</p>

16	Provision of Heavy, Medium and Light Equipment Logistics services. Tender No: EXP/DRI/TD/0718/0148C Product code: 3.06.02/3.08.08	Provision of cranes, fork lifts, self-loaders, low bed, flatbed trucks etc Fuelling of the above Provision of competent operators and drivers
17	Diesel supply Tender No: EXP/DRI/TD/0718/0149C Product code: 2.07.02	Diesel supply to specified location (swamp or land location) Quality and quantity of diesel to meet up to the required standard specifications
18	Potable water supply Tender No: EXP/DRI/TD/0718/0150E Product code: 3.18.23	Potable water supply to specified location(swamp or land location) Water quality to meet up the required standard specification.
19	Provision of security services Tender No: EXP/DRI/TD/0718/0151C Product code: 3.18.05	Provision of security escort for personnel(Land and swamp) Provision of Gun boats for swamp operations. Provision of intelligence personnel on locations Provision of security personnel on locations
20	Helicopter services Tender No: EXP/DRI/TD/0718/0152B Product code: 03.08.03	Provision of helicopter services Compliance with associated safety, quality assurance, reporting and administrative requirements.
21	Provision of mud transfer/Pumping services in swamp operations. Tender No:	Mobilization and Demobilization of personnel and equipment.

	<p>EXP/DRI/TD/0718/0153C Product code: 3.04.13 and 3.04.18</p>	<p>Execution of mud transfer & pumping Services.</p> <p>Provision of Equipment / consumables requirements and back-ups for mud pumping Services.</p> <p>Provision of competent Personnel for mud transfer & pumping Services.</p> <p>Submission of a report at the end of the job executed.</p>
22	<p>Provision of logistics base equipment load out/ Back loading Tender No: EXP/DRI/TD/0718/0154C Product code: 3.08.12</p>	<p>Provision of Equipment / consumables requirements and back-ups for equipment load out/ back loading. Provision of competent Personnel for equipment load out and back loading Services.</p> <p>Submission of a report at the end of the job executed.</p>
23	<p>Provision of Boat landing platform For swamp operations. Tender No: EXP/DRI/TD/0718/0155E Product code: 1.02.05</p>	<p>Provision of boat landing platform. Compliance with the associated safety, quality assurance, reporting and administrative requirements.</p>
24	<p>Provision of Blow Out Response Tender No: EXP/DRI/TD/0718/0156C Product code: 3.04.34</p>	<p>Mobilization and Demobilization of personnel and equipment. Provision of Equipment / consumables requirements and back-ups for blow out response services.</p> <p>Provision of competent Personnel for blow out response services.</p>

		Submission of a report at the end of the job executed.

Contract Strategy:

The Strategy is to engage the service of a contractor to execute the services on call-off basis for a period of Two (2) years with the option of one (1) year extension. Following this advertisement, companies will be evaluated and ranked based on their performance. Contract shall be awarded to the lowest evaluated responsive bidder. NPDC shall retain the selected company to provide the required service during the contract duration.

(3) Mandatory Requirements:

(1) To be eligible for this tender exercise, interested Companies are required to be pre-qualified in the Product/Services categories indicated in NipeX Joint Qualification System (NJQS) database. Successfully prequalified suppliers in these categories will receive invitation to Technical Tender (ITT).

All successfully pre-qualified suppliers in the category will receive Invitation to Tender (ITT) document for the Technical phase of the tender.

(2) To determine if you are pre-qualified : Open www.nipex-ng.com and access NJQS with your log-in details, click on ‘continue Joint Qualification Scheme tool’, click on ‘check my supplier status’ and then click on ‘supplier product group’.

(3) If you are not listed in a Product/Service category and you are registered with DPR to do business, contact NipeX office at 8, Bayo kuku Street, Ikoyi, Lagos with your DPR certificate as evidence for verification and necessary update.

(4) To initiate the JQS per-qualification process, access www.nipex-ng.com to download application form, make necessary payments and contact NipeX Office for further action.

(5) To be eligible, all tenderers’ must comply with the Nigerian Content requirements in the NipeX system.

(4) Nigerian Content Development:

As requested by the Nigerian Oil & Gas Industry Content Development Act 2010, each Contractor will be required to:

- (1) Demonstrate that the entity proposed for execution of the service is a Nigerian Registered Company, or Nigerian Registered Company as the contracting entity in genuine alliance or joint venture with foreign company with details on scope and responsibilities of parties for this work. Such companies must show evidence of joint venture binding agreement duly signed by the CEO of both companies including evidence or plans of physical operational presence and set-up in Nigeria.
- (2) International or multinational companies working through a Nigerian subsidiary must demonstrate that a minimum of 50% of equipment to be deployed for execution of the work shall be owned by the Nigerian subsidiary by providing a list of equipment for this tender and including those that will be owned by the Nigerian subsidiary.
- (3) Furnish details of company ownership and shareholding structure with photocopies of Forms CAC2 and CAC7.
- (4) Provide a Nigerian Content Plan with detailed description of the role, work scope, man-hours and responsibilities of all the Nigerian companies and personnel that will be involved in executing the work also provide details of Nigeria Content focal point or manager
- (5) State proposed total scope of work to be conducted by Nigerian personnel (whether contracted directly or under subcontract agreements) with names and addresses including evidences of well equipped offices and workshop.
- (6) Provide detailed plan for staff training and development.
- (7) Provide detailed description of the location of in-country offices.

Interested Companies are to note that pursuant to NPDC (NNPC) and Federal Government Policy to provide opportunities for Nigerian contractors and the development of local expertise, all the applicants must comply fully with the NOGICD Act to give preference to Nigerian companies or foreign companies with Nigerian affiliate and local ownership, which demonstrate willingness to execute the project to the satisfaction of the Nigerian Content requirements and guidelines. Each applicant is enjoined to avail themselves of the requirements of the Nigerian Oil and Gas Industry Content Development (NOGICD) Act for full compliance.

Nigerian Petroleum Development Company on behalf of the Joint Venture partners is committed to fully comply with the requirements of the NOGICD Act. In maximizing the local content of this project, pre-qualifiers are requested to give full details of their strategy for the local content implementation in order to comply fully with the law.

In compliance with NOGICD Act requirements for Research & Development therefore, the following should be noted:

(1) All Operators or project promoters in the Oil and Gas industry launching service contracts or other applicable projects with completion period of 12 months and above shall provide R&D implementation arrangement with at least one applicable R&D cluster approved by the Board as part of the Operator's Nigerian Content Plan for the project or service. The arrangement shall be in the form of a Memorandum of Agreement (MOA) and indicate how the Operator will deploy the Cluster for any R&D requirements during the contract phase and the first five years of the service life of the field, facility or plant.

(2) All Operators are to include in their ITT documents, a requirement that any service company bidding for such a project shall submit as part of Nigerian Content requirement, a signed MOA between it and one of the R&D Clusters relevant to the project. All service companies are required to sign an MOA with any of the research Clusters. The MOA shall indicate how the service company intends to use the relevant research Clusters during project execution to the satisfaction of the Board. The MOA shall form part of the documents to be reviewed at technical evaluation stage.

(5.0) Closing Date:

Only Companies who are registered with NJQS for the Services Code as at **15:00 hours on Thursday, December 06, 2018**, being the advert closing date shall be invited to submit Technical Bids.

(6.0) Additional Information:

(1) All costs incurred in preparing and processing NJQS prequalification and responding to this Tender Opportunity shall be to the Contractor's own account.

(2) This Advert shall neither be construed as any form of commitment on the part of OPERATOR to award any contract to any Contractor and or associated contractors, sub-contractors or agents, nor shall it entitle Prequalified Contractors to make any claims whatsoever, and/or seek any indemnity from OPERATOR and/or any of its partners by virtue of such Contractors having been pre-qualified in NJQS.

(3) The tendering process shall be undertaken in accordance with the NNPC contracting process in compliance with Public Procurement Act 2007

(4) NPDC will communicate only with authorised officers of the qualifying Companies at each stage of the Tender process, as necessary, and will NOT communicate through individuals or appointed Agents.

(5) This tender and any related process neither creates any commitment by NPDC nor establish any legal relationship.

- (6) All information must be provided in English Language.
- (7) Notwithstanding the pre-qualification in NJQS, NPDC is neither committed nor obliged to include your company on any bid list or to award form of contract to your company and/or associated companies, sub-contractors or agents.
- (8) NPDC will not enter into any form of communication with interested bidder(s) from the commencement date of this advertisement
- (9) Wilful submission of any fictitious document will attract suspension from participation in future bids.
- (10) Only pre-qualified companies in the appropriate supplier Categorization shall be invited for tendering.
- (11) Please note

Notwithstanding the pre-qualification in NJQS, NPDC is neither committed nor obliged to include your company on any bid list or to award any form of contract to your company and/or associated companies, sub-contractors or agents.

Only pre-qualified companies in the appropriate service/supplier categorisation shall be invited for tendering.

NPDC will not enter into correspondence with any company or individual on why a company was short-listed or not short-listed.

Please visit NipeX portal at www.nipex-ng.com for this advert and other information.

Disclaimer

This advertisement of “Tender Opportunity” shall not be construed as a commitment on the part of NPDC/NNPC, nor shall it entitle companies to make claims whatsoever and/or seek any indemnity from NPDC/NNPC and/or any of its partners by virtue of such companies having responded to this advertisement.
