

Seawolf Oilfield Services Limited

(RC. 687914)

Invitation for Expression of Interest (EOI) for Supply of Diesel for Rigs Oritsetimeyin & Onome

INTRODUCTION:

The Receiver/Manager, in management of Seawolf Oilfield Services Limited (In Receivership) ("Seawolf") by reason of his appointment by Asset Management Corporation of Nigeria ("AMCON"), is desirous of engaging persons or corporate bodies experienced in and capable of supplying diesel meeting relevant specification for the proper working of its drilling rigs Oritsetimeyin and Onome now at the Marina jetty, Lagos or anywhere else they may be located.

EXPRESSION OF INTEREST:

(a.) The Receiver/Manager hereby invites interested companies to submit their expression of interest in pre-qualification for the supply of diesel to Rigs Oritsetimeyin and Onome.

(b.) The diesel to be supplied to the rigs must conform to the quality as set out in the table below:

PROPERTIES	UNITS	SPECIFICATION
Appearance		Clear and Bright
Colour		3.0 max.
Specific gravity		0.820 – 0.870
Acidity (inorganic)	mgKOH/g	Negative.
Total Acid Number	mgKOH/g	0.50 max.
Distillation Recovery @357 °C FBP	% vol °C	90 min and 385 max.
Flash Point	°C	66 min.
Kinematic Viscosity @ 37.8	cSt	1.6 – 5.5 max.
Cloud Point	°C	4.4 max.
Conradson Carbon Residue on 10% residue	%wt	0.15 max.
Ash Content	%wt	0.01 max.
Copper Corrosion @ 100°c	Class	1b

Sediment by extraction	%wt	0.01 max.
Total Sulphur	%wt	0.3 max.
Water Content	%vol	0.05 max.
Diesel Index		47 min.

COMPANIES ARE TO MEET THE FOLLOWING REQUIREMENTS:

- (a.) The company must be able to supply 100,000 litres of diesel in one bulk.
- (b.) The company must be able to meet all other conditions precedent to a successful delivery of diesel to the rigs including procurement of Naval Clearance and other relevant permits.
- (c.) Diesel delivered must conform to specifications and standards and if not met, Receiver /Manager will have the right to reject the delivery.
- (d.) The company must comply with all legal standards and compliance.
- (e.) Diesel supplied for use in Rigs Oritsetimeyin and Onome must meet the specifications of Standards Organization of Nigeria ("SON"), and Department of Petroleum Resources ("DPR") etc.
- (f.) The company must have the capacity to be able to make delivery on the Rigs Oritsetimeyin and Onome currently located at Marina CMS by Ferry Terminal where the Water Current is at 22 knots in high tide and 17 knots in low tide.

SUBMISSION OF EXPRESSION OF INTEREST:

Interested companies are required to submit the following information:

- (a.) Name and detailed Profile of the company.
- (b.) Country of Incorporation and Country of Domicile.
- (c.) Evidence of Incorporation/ Registration.
- (d.) Evidence of any previous supplies done.
- (e.) Evidence of any other relevant experience and/or capabilities that demonstrate the Company's ability to work with the Receiver/Manager to achieve a successful supply.
- (f.) Name of principal authorized contact along with the contact email address and phone number.

METHOD OF SUBMISSION OF EXPRESSION OF INTEREST:

Expression of Interest should be submitted in a sealed envelope with 1(one) original and 5 (five) copies along with 1 (one) soft copy contained in USB storage device with the envelope clearly marked "EXPRESSION OF INTEREST FOR SUPPLY OF DIESEL" delivered to the Receiver/Manager at the address stated below, **not later than 4pm Nigerian time, on the 19th day of December, 2016.**

The Receiver/Manager,

Seawolf Oilfield Services Limited

(in Receivership),

28A, Mainland Way, Ikoyi,

Lagos, Nigeria.

POST SUBMISSION PROCESSES:

(a.) Upon receipt and evaluation of Expression of Interest, companies which in the Receiver/Manager's view, are qualified, will be contacted and provided with the Request for Proposal and Information Pack to enable them participate in the Transaction Process.

(b.) The Receiver/Manager, in his sole discretion, may invite companies that submitted Expression of Interest to meet at the Receiver/Manager's office for further clarification and expansion on the information provided in their EOs.

(c.) Pre-qualified companies will be contacted not later than the 29th day of December, 2016.

OTHER INFORMATION:

(a.) Late submissions shall be rejected.

(b.) Only companies which submit the required information and meet the pre-qualification criteria will be contacted to participate in the RFP and Transaction Process.

(c.) Request for further clarification and enquiries prior to the close of submission should be made to mike@mikeigbokwe.com Or info@mikeigbokwe.com.

(d.) All information must be provided in English language.

(e.) The Invitation for Expression of Interest does not create or is intended to create any contractual relationship or legal obligation of any kind. It is a pre-qualification exercise only and not an offer by the Receiver/ Manager to any interested company to supply. Nothing in

this invitation for Expression of Interest shall be construed to prevent the Receiver/Manager from any ongoing discussions regarding the supply of diesel to the rigs. Persons who submit Expression of Interest shall bear all cost incurred in connection with the preparation and submission to the Receiver/ Manager. The Receiver/Manager shall not be liable or responsible in any manner for such costs or any other expenses incurred by persons in connection with submitting an Expression of Interest, regardless of the outcome of any selection process that may occur pursuant to the invitation for Expression of Interest or any other discussion or process regarding the supply of diesel to the rigs.

Signed,

The Receiver/Manager,

Mr. M. I. Igbokwe san, FciArb
