

Usmanu Danfodiyo University, Sokoto

(Office of the Registrar and Secretary to Council)

Invitation for Expression of Interest and Pre-Qualification for Consultancy in Capacity Building

Introduction

The Usmanu Danfodiyo University, Sokoto in its efforts to ensure the realization of health for all, policy and the need to integrate herbal/traditional medicine into the primary health care delivery, intends to carry out a capacity building to upgrade the physical and human facilities of the Department of Pharmacognosy and Ethnopharmacy of the faculty of Pharmaceutical Sciences of the University, using its 2011 Capital Appropriations.

Scope of the Service

1. The services required is to train both academic and technical staff in the department of Pharmacognosy and Bthroparmacy on conventional and modern methods of teaching and contacting researches in traditional medicine. This is to give an opportunity for research and teaching of the art and science of traditional medicine and clinical herbal practices with the view of integrating this in medical care. The consultants will also be required, to mount workshops to train traditional birth attendants/herbalists, bone settlers and related practitioners in Sokoto, Kebbi and Zamfara States.
2. The Consultants will also be required to specify/design the creation and development of Herbarium, Medicinal Plant Garden, and Animal house. Locating of medicinal plants (using GIS mapping) in Sokoto, Kebbi and Zamfara States as part of the project
3. The consultants will be required to specify and facilitate the acquisition and consumables that will be required by this project.
