(3.0) Eligibility Criteria

Prospective bidders are required to submit the following documents in proof of their Technical eligibility:

- (i) Certificate of Incorporation with Corporate Affairs Commission (CAC) and copies of Forms C02 and C07.
- (ii) Three (3) years Tax Clearance Certificate (2012, 2013 and 2014) expiring December, 2015.
- (iii) Evidence of VAT remittances to FIRS in the last 3 years.
- (iv) Certificate of compliance with the Pension Reform Act 2014 duly issued by the Pension Commission (PENCOM).
- (v) Evidence of payment of Training Contributions to ITF in compliance with Section 6(2) of the Industrial Training Fund Amended Act, 2011.
- (vi) Certificate of compliance with the Employee's Compensation Act/evidence of remittances to the Nigerian Social Insurance Trust Fund (NSITF).
- (vii) Verifiable evidence of contracts of similar nature executed in the last 10 years. (Letters of Award with Interim, completion or payment certificates required).
- (viii) Evidence of financial capability to execute the contract (please attach Bank reference and Company's last 6 months Bank Statement of Accounts and last 3 years Audited Account).
- (ix) List of available equipment for execution of rural electrification project, indicating whether you own or lease them. (Please attach proof of ownership or lease).

(x) Authorization for a specific person to act as a representative of the company for purposes of signing bids, contract, agreement and other documents with REA (Properly executed Power of Attorney or Board Resolution required).

(xi) Evidence that (a) the firm is licensed by COREN and (b) that at least one of its key personnel is a COHEN registered Engineer.

(xii) A sworn Affidavit attesting to the following:

(a) That all submitted documents are true and genuine

(b) That no officer of the Rural Electrification Agency (REA) or Bureau of Public Procurement (BPP) is a former or present director, shareholder or has any pecuniary interest in the company

(c) The company is presently not in receivership, or subject of any form of insolvency or bankruptcy or winding up petition or proceedings.

(d) That No Director of the company has ever been convicted in any country of any criminal offence, fraud or financial impropriety.

(xiii) A Letter authorizing the Rural Electrification Agency to verify the authenticity of claims and documents submitted by the company with relevant authorities

(xiv) A clean copy of the certified Payment Receipt for the Non-refundable Tender fee of N25,000 to the Agency.

(xv) Possession of Certificate of registration under the BPP's National Data Base for Federal contractors shall be an advantage.

(4.0) Collection of Tender Documents

(4.1) Interested Bidders are to pay a non-refundable Tender fee of N25,000.00 (Twenty Five Thousand Naira) only in Bank Draft to obtain the necessary Bidding Documents. In line with recent Federal Government policy on Treasury Single Account (TSA). all Bank Drafts are to be drawn in favour of the Accountant – General of the Federation (CBN Account No. 3000002095). Bidders are, however, to pay over their drafts to the Funds Directorate of Rural Electrification Agency at, REA Corporate Headquarters, 22 Free Town Street, Wuse 2, Abuja and obtain a receipt.

(4.2) Original and Photostat copies of the receipt should then be presented to Procurement Directorate for collection of Tender Documents between the hours of 10:00am and 4:00pm Mondays to Fridays **on or before 12:00noon, Friday, 27th November, 2015.**

(4.3) Please note that the original copy of the payment receipt must be sighted and certified by the Procurement Desk officer before issuance of Tender Documents.

(5.0) Submission and Opening of Tender Documents

(5.1) Three (3) spirally bound hard copies i.e. one Original and two duplicate copies of the Technical Document and Three (3) hard copies of the Financial Bid i.e. one Original and two duplicate copies also neatly bound in A4 size papers must be submitted together with One CD soft copy containing the Financial Bid done in Excel and marked on the printable surface with the company's name and lot number.

(5.2) The Tenderer shall enclose the Technical documents in one(1) envelope and the Financial Documents in another envelope, duly marking the envelopes as "Technical" and "Financial". These two (2) envelopes shall then be enclosed in one (1) single bigger outer envelope with the Lot Number, Project Title and Package Number clearly indicated on the top left corner and addressed to:

**The Managing Director/CEO
Rural Electrification Agency
Corporate Headquarters,
22, Free Town Street,
Off Adetokumko Ademola Crescent,
Wuse 2, Abuja**

(5.3) The reverse side of all envelopes used must bear the bidding company's name and address (in capital letters) and the authorized contact person's phone numbers.

(5.4) All Tenders are to be dropped in the tamper proof "Tender Boxes" in the Reception area i.e. (Ground Floor) of the Agency's Corporate Headquarters, 22 Free Town Street, Wuse 2, Abuja **not later than 12:00 Noon on Monday 30th November, 2015.** Bids submitted after this deadline shall be rejected.

(5.5) Opening of Tenders shall commence immediately following the submission deadline **on Monday, 30th November, 2015** in the premises of the Agency's Corporate Headquarters.

(6.0) Important Notices

(6.1) Each eligible company is allowed to bid for only one Lot. Multiple lot bidding is not permitted and any company discovered to have submitted bids for more than one lot shall be disqualified.

(6.2) Companies that are related or found to have the same directors or personnel shall be consolidated and treated as one company for purposes of enforcing the policy of one eligible company to one contract.

(6.3) Failure to use or heed the instructions in the REA Standard Bidding Documents as issued will result in disqualification. It is mandatory to complete all the relevant sections including the forms in Section 5 of the Standard Bidding Document.

(6.4) No Bid Security is required and the Agency shall not be responsible for loss of unsolicited bid security.

(6.5) Contractors with history of abandonment/non-completion of rural electrification contracts or who lack capacity need not apply.

(6.6) Tenders in envelopes not correctly addressed or that omitted the Lot Number, Project title, Package number or contractor's identification on the reverse side shall be rejected.

(6.7) All documents submitted shall be referred to either security agencies or the issuing authorities for verification.

(6.8) The Agency shall not be liable to any bidder for loss or refusal to accept any loose papers stapled or inserted in-between bound documents or submissions not bound in the prescribed format.

(7.0) Disclaimer and Conclusion

(7.1) This advertisement is published for information purposes only and does not constitute an offer, commitment or obligation by REA to transact with any party, nor entitle any Bidder to make any claims whatsoever/or seek any indemnity from the Agency.

(7.2) The Agency will not be responsible for any costs or expenses incurred by any interested party in connection with preparation of documents or submissions made in response to this invitation and or in response to any inquiry or clarification arising there from.

(7.3) The Rural Electrification Agency pledges fair and equal treatment of all bidders but is not bound to shortlist any bidder and reserves the right to annul the selection process at any time without incurring any liabilities to the bidders.
