

Overview

MALARIA CONSORTIUM

REQUEST FOR NITDA LICENSED DATA PROTECTION COMPLIANCE ORGANIZATION SERVICES FOR THE PROVISION OF ANNUAL PRIVACY AND DATA PROTECTION PRACTICES AUDIT TO MALARIA CONSORTIUM

(A) Malaria Consortium

Malaria Consortium is one of the world's leading non-profit organisations dedicated to the comprehensive control of malaria and other communicable diseases in Africa and Southeast Asia. Malaria Consortium works with communities, government and non-government agencies, academic Institutions, and local and international organisation, to ensure good evidence supports delivery of effective services, providing technical support for monitoring and evaluation of programmes and activities for evidence-based decision-making and strategic planning. The organisation works to improve not only the health of the individual, but also the capacity of national wealth systems, which helps relieve poverty and support improved economic prosperity.

Malaria Consortium is committed to obtaining a fair value for services received with a competitive price and timely delivery of the right quantities at the right quality.

Malaria Consortium supports multiple projects in Nigeria with different projects starting and ending each year, as such our demand for supplies and services nationally and internationally varies year on year. The majority of Malaria Consortium supply and service needs are procured locally in our countries of operation where the right price and quality can be obtained. Internationally sourced products predominantly include pharmaceutical and medical items, with other small ad hoc needs on rare occasions (including vehicles). For the purpose of business Malaria Consortium also has a registered Nigerian entity known as Malaria and Public Health Nigeria Ltd/GTE.
