### **SPECIFICATIONS AND INSTRUCTIONS TO BIDDERS**

#### **(A) Malaria Consortium**

Malaria Consortium Is one of the world’s leading non-profit organisations dedicated to the comprehensive control of malaria and other communicable diseases in Africa and Southeast Asia. Malaria Consortium works with communities, government and non-government agencies, academic institutions, and local and International organisations, to ensure good evidence supports delivery of effective services, providing technical support for monitoring and evaluation of programmes and activities for evidence-based decision-making and strategic planning. The organisation works to improve not only the health of the Individual, but also the capacity of national health systems, which helps relieve poverty and support improved economic prosperity.

Malaria Consortium is committed to obtaining a fair value for services received with a competitive price and timely delivery of the right quantities at the right quality.
