Re: FOI Request-Records of Projects that Received Donor Funding in 2012 and 2013

I am directed to refer to your letter dated 5th March, 2014 on the above subject, and to forward to you the attached list of Donor funded projects covering 2012 to 2013 as requested.

2. The list is generated from the data provided by Donors in the Development Assistance Database (DAD Nigeria), a web-based platform for reporting Donor programmes/projects in the Country which can be accessed via: <http://dad.synisys.com/dadnigeria>. It should be noted that data in DAD Nigeria is uploaded by the Individual Donors on their respective projects.
3. We wish to note that your organization is not registered with the NPC and to state that the NPC frowns at unregistered NGOs/CSOs. You are therefore expected to get your organization registered.
4. Please, be assured of the Supervising Minister/Deputy Chairman' regards.
