

6th November, 2015

The Director General

Bureau of Public Service Reforms
Federal Secretariat Complex (Phase 11)
Shehu Shagari Way
Abuja

Dear Sir,

INVITATION TO THE EXHIBITION OF THE OPEN CONTRACTING DATA STANDARDS (OCDS) TEMPLATE

In our bid to contribute to the coherence and increased access to procurement related information, we would like to recommend the publication of procurement information based on data standards that are in consonance with the Public Procurement Act, 2007 and which will enable stages within the procurement process to be easily linked.

These practical recommendations have become necessary as a result of our experience in monitoring public procurement processes. Particularly, there is need to lessen the administrative burden to procuring entities of providing procurement information on request, and there is need to standardize procurement information across every stage in the process so that it is linked across the entire chain and ultimately to public service delivery.

Therefore, we are honoured to invite you to the official exhibition of the Open Contracting Data Standards Template.

Date: 18th November, 2015

Time: 11 am prompt

Venue: Immaculate Suits and Apartments, plot 110 Adetokunbo Ademola Crescent Wuse II, Abuja (close to Diamond bank Junction)

For further enquiry on this launch event and confirmation of attendance, please call **07066618896** or send an email to ppdc@procurementmonitor.org

We shall indeed be honoured by your esteemed presence.

Thank you

Seember Nyager

Chief Executive Officer
Public and Private Development Centre (PPDC)
