

Nigerian National Petroleum Corporation

National Petroleum Investment Management Services (NAPIMS)

8/10 Bayo Kuku Road, Ikoyi, Lagos.

Invitation for Pre-Qualification

Contract for Integrated Studies of Sokoto Basin

1. INTRODUCTION:

National Petroleum Investment Management Services (NAPIMS), a Corporate Strategic Unit of the Nigerian National Petroleum Corporation plans to conduct Integrated Studies of Sokoto Basin to evaluate the hydrocarbon potential, identify prospects and drillable sites. The surveys are planned to commence in 2011.

NAPIMS wishes to invite interested and reputable companies with the requisite expertise, experience, skilled manpower and technology to pre-qualify for inclusion in the tender to undertake the studies.

2. TECHNICAL OBJECTIVES:

§ Produce a comprehensive geology of the basin

§ Identify the key petroleum system elements in the basin.

§ Identify play types, and prospects.

3. WORK SCOPE:

The scope of work for the integrated studies will include but not limited to:

- a) Field work and Data gathering.
- b) Geophysical and Seismic Interpretation
- c) Sedimentological Analysis
- d) Geochemical Studies
- e) Sequence and chrono-Stratigraphic Studies

f) Biostratigraphic Studies

g) Transportation of Data

PRE-QUALIFICATION REQUIREMENTS:

In order to be considered interested companies, which must be Nigerian company should submit letters of intent accompanied with the following:

- a. Copy of Certificate of Incorporation,
- b. Current registration with the Department of Petroleum Resources (DPR) relevant to this service,
- c. Company profile including details of share capital, workforce and office location.
- d. Documentation/Evidence of relevant and verifiable prior experience on similar service (including Client name, location, dates of work, value etc.).
- e. Company's organizational structure professional profile with resumes of Key start.
- f. Financial details – audited accounts for last 3 years,
- g. Details of company's Health, Safety and Environment (HSE) policies especially as it relates to this required service
- h. Evidence of payment of taxes for last 3 years

5. NIGERIAN CONTENT:

The Federal Government of Nigeria directives on Nigerian Content development (“Directives”) mandates that all contractors create value in country with targets of 70% by end 2010 in terms of total monetary expenditures through the deliberate utilization of Nigerian human and material resources without sacrificing quality, safety, health and environmental standards.

As a result, bidders will be evaluated on their perceived willingness, documented track records and demonstrated plans to fully comply with the Directives and Company requirements. Failure to comply with these Directives or demonstrate commitment to Nigerian Content Development may result in Bidders disqualification as non compliance with Nigerian Content is a “Fatal flaw”

6. METHOD OF SUBMISSION:

The responses should be sent in duplicate hard copies and on electronic media (CDROM) in sealed envelopes clearly marked:

“Pre-Qualification for Integrated Studies of Sokoto Basin”
