

Addax Petroleum Exploration (Nigeria) Limited

Pre-Tender Opportunity: Provision of Floating Production Storage & Offloading (FPSO) at OML126

(1) Introduction:

Addax Petroleum Exploration (Nigeria) Limited (here in after referred to as “APE(N) L”) invites interested and pre-qualified Contractors to respond to this pre-tender opportunity for Provision of Floating, Production, Storage Offloading (FPSO) as detailed in item 2 below. The contract is proposed to commence immediately after the tender process and continue for a duration of five (5) years with APE(N)L having the sole option to exercise three (3) annual extension options. A single award will be made to the most economic and technically qualified bidder.

(2) SCOPE OF SERVICES REQUIREMENTS:

As a minimum requirement, the selected Contractor shall have the necessary experience, capability and shall be fully responsible for the provision of all required personnel, equipment and services.

The scope of work shall include but not be limited to:

- Operations, maintenance and repairs
- Procurement as required
- Conversion and life extension
- Provision of production, gas processing, produced water disposal and crude oil export facilities
- Provision of mooring system
- Operation and maintenance of subsea wellhead systems
- Inspection and testing, installation, hook up and complete classification of the entire system by a recognised Classification Society
- The FPSO shall meet all Flag State requirements and be classed as a DNV 1A1, Ship-shaped Oil Production Storage Unit.
- The FPSO and its related systems are required to stay in the field for up to eight years without dry docking.

(3) MANDATORY REQUIREMENTS:

3.1. To be eligible for this tender exercise, interested Tenderers are required to be pre-qualified. Category A, B, C and D would be considered for Offshore in 3.06.06 Mobile Production Units (FPSO) category in NipeX Joint Qualification System (NJQS) database. All successfully pre-qualified suppliers in this category will receive Invitation to Tender (ITT)

3.1.2 To determine if you are pre-qualified and view the product/services category you are listed for: You may visit NipeX NJQS Website at www.nipexng.com and access NJQS with your

log in details, click on ‘continue Joint Qualification Scheme tool, click on ‘check my supplier status’ and thereafter click on ‘supplier product group’.

3.1.3 If you are not listed in a product/service category that you are registered with DPR to do business, you may contact NipeX Office at 30, Oyinkan Abayomi Street, Ikoyi, Lagos, with your DPR certificate as evidence for verification and necessary update.

3.1.4 To initiate the JQS Pre-qualification process, you may access www.nipexng.com to download the requisite application form, make necessary payments and contact NipeX office for further action.

(4) NIGERIAN CONTENT REQUIREMENTS:

- Tenderers are to note that they will be requested during the technical tender to provide details of their relevant strategy to ensure that they fully comply with the Nigerian Oil & Gas Industry Content Act, 2010 as provided at <http://www.ncdmb.gov.ng/images/GUIDELINES/NCACT.pdf> in view of physical operational presence and set-up in Nigeria
- Furnish details of company ownership and shareholding structure. With photocopies of its CAC Forms C02 and C07
- Provide evidence of what percentage of its key management positions are held by Nigerians and what percentage of the total work force are Nigerians. And also show overall percentage of work to be performed by Nigerian resources relative to total work volume.
- Provide a Nigerian Content Plan with detailed description of the role, work scope, man-hours and responsibilities of all the Nigerian companies and personnel that will be involved in executing the work.
- State proposed total scope of work to be conducted by Nigerian personnel (whether contracted directly or under subcontract agreements) with-names and addresses including evidences of well-equipped offices and workshop.
- Provide detailed plan for staff training and development on engineering, project management and procurement (including all software to be used, number of personnel, name of organization providing such training and evidence of past training record) for Nigerian personnel including description of any specific programs in place for transfer of technology and skills to indigenous businesses and Nigerians over the next five (5) years.
- Provide evidence of domiciliation of project management and procurement centers in Nigeria with physical addresses (not P.O. Box).
- Provide detailed description of the location of in-country facilities (Equipment, storage, workshops, repair, maintenance and testing facilities).
- Provide detailed statement with evidence of how it intends to maximize the use of Nigerian made goods and services.
- Provide details on any other Nigerian Content initiative the company is involved in;
- Provide evidence of Nigerian Content Equipment Certificate (NCEC)
- Provide MOA with Oil & Gas trainers association (OGTAN) registered facility for both class room type (theoretical) and on-the-job training attachment for the duration of the project.
- Provide evidence of minimum 50% equity ownership of equipment by Nigerian subsidiary

(5) CLOSING DATE

This is a pre-tender opportunity. The full tender will be advertised upon approval by the relevant authorities. Unless advised otherwise, only tenderers who are registered with NJQS Product/categories 3.06.06 Mobile Production Units (FPSO) as at **(30/Nov/2016)** shall be invited to submit Technical Bids.

(6) ADDITIONAL CONSIDERATIONS:

- Please note that all interested Contractors are required to strictly adhere to following conditions in relation to their response to this Advert:
- As stated in item 3 hereto, Contractors are required to be pre-qualified in NJQS under this specific Services category to be eligible to participate in this tender opportunity.
- All costs incurred in preparing and processing NJQS pre-qualification and responding to this Tender Opportunity shall be to the Contractor's own account.
- This Advert shall neither be construed as any form of commitment on the part of APD(N)L to award any contract to any Contractor and or associated contractors, sub-contractors or agents, nor shall it entitle pre-qualified Contractors to make any claims whatsoever, and/or seek any indemnity from APD(N)L and/or any of its partners by virtue of such Contractors having been pre-qualified in NJQS.

The tendering process shall be undertaken in accordance with the NNPC contracting process which requires pre-qualified Contractors to submit their documentation in the following manner:-

(i) Pre-Qualified contractors in the relevant Product/Services category in NJQS will be requested to submit their Technical Tenders.

(ii) Following the Technical evaluation process, only technically acceptable and financially qualified contractors will be requested to submit their Commercial Tenders.

APD(N)L will communicate only with authorised officers of the qualifying Contractors at each stage of the Tender process, as necessary, and will NOT communicate through individuals or appointed Agents.

Please visit the NipeX portal at www.nipex-ng.com for this Advert and other relevant information.
