

Chevron Nigeria Limited

R. C. 6135

Operator of the NNPC\Chevron Joint Venture

Advert for Tender Opportunity

Construction of a New Sewage Treatment Plant and Upgrading of the Existing Plant at CNL Lekki Office

Introduction:

Chevron Nigeria Limited invites interested and opportunity for the Detailed Design Review Procurement, Construction, Installation and Commissioning of a new Sewage Treatment Plant and upgrading of the existing plant.

Scope of Work:

Engineering: Review and re-validation of **Company's** Detailed Engineering Design to ensure compatibility with **Contractor's** preferred construction methodology. Prepare and submit for approval all shop drawings, fabrication drawings, bending schedules and any other supplementary information required to successfully execute the works.

Installation of Piles:

The project may include installation of piles for the plant foundation

Sub-Structure / Superstructure:

Contractor shall construct a pile or raft foundation to support the structure. The contractor shall have the capacity to provide a dewatering system during foundation construction should high water table be encountered. The superstructure will be mainly a water-retaining circular concrete tank of about 13m internal diameter, 300mm thick and 5m high complete with aerator, chlorine dosing system, control panels, ladders, hoist, piping etc.

Procurement: Company may elect to supply, install and commission the sewage treatment equipment through another Agent. All other equipment and materials shall be supplied and installed by the main contractor.

Mandatory Requirements

1. To be eligible for this tender exercise, interested bidders are required to be pre-qualified in the **4.04.01** (Engineering / Procurement / Construction / Commissioning – Steel / Metal / Concrete Structures / Platforms) category in NipeX joint Qualification System (NJQS) database. All successfully pre-qualified suppliers in this category by the bid close date will receive Invitation to technical Tender (ITT).

1. Please note that interested bidders including their sub-contractor(s) shall be required to:
2. Meet all JQS mandatory requirements to be listed as “**Prequalified**” for category in the JQS database.
