D. To initiate the JQS prequalification process, access www.nipexng.com to download an application form, make necessary payments and contact Nipex Office for further action.

E. To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.

4. Nigerian Content:

Nigerian Content (NC) in the upstream sector of the Nigerian oil and gas industry is defined as:

“the quantum of composite value added to ~~or~~ created in the Nigerian economy by a systematic development of capacity and capability deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry.”

The Federal Government of Nigeria (FGN) in line with its vision for Nigerian Content (NC) development has enacted the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act).

NNPC/MPN JV requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the Nigerian Content Development Monitoring Board.

Bidders shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

To be pre-qualified, bidders will be expected to provide the following details at this prequalification stage:

- i. NC Plan that addresses utilization of Nigerian Labor, Services, Materials and Equipment for this service.
- ii. A detailed description of your company's committed infrastructure in Nigeria (addresses of engineering offices, list of equipment and engineering software packages, etc).
- iii. Details of your company's Ownership Structure. Attach copies of CAC forms (CO2 and CO7).
- iv. Training and certification program you have in place for your Nigerian personnel including list of relevant training attended by indigenous staff in the last 3 years
- v. The percentage of key Management positions (line managers) that held by Nigerians. Also provide percentage of total Company workforce and staff (direct and in-direct employees) that are Nigerians.

In line with the NOGICD Act, Bidders will also be required to submit as part of its technical submission a Nigerian Content Plan demonstrating compliance with the NC requirements in the Act.

Bidders' failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Bidder's disqualification.
