

## **Addax Petroleum Exploration (Nigeria) Limited**

**(RC No. 333613)**

### **Tender Opportunity Provision**

#### **of Vsat Services in OMLs -123 and 124**

#### **Introduction:**

**Addax Petroleum Exploration (Nigeria) Limited** (hereinafter referred to as “APE (N) L”) invites interested and prequalified Contractors to respond to this tender opportunity for the provision of Pore Pressure Prediction and Advanced Well Control Monitoring Services at APE (N) L’s OMLs-123 and 124 facility, as detailed in item 2 below. The contract is proposed to commence in January 2011 and continue for duration of two (2) years with APE (N) L having the sole option to extend the duration for a further period of one (1) year.

#### **Scope of Services:**

This Scope of Services covers the provision of VSAT Services associated with APD (N) L’s Operations in OMLs-123 and 124.

As a minimum requirement, the selected Contractor shall have the necessary experience, capability and shall be fully responsible for the supply and performance of:

1. Provision and management of satellite capacity both for the Nigeria regional network and international links.
2. Operation of the network hub in Usingen (Viper Sat technology, shared bandwidth), as well as the secondary hub in Lagos.
3. Guaranteeing of full voice and data integration with the rest of APD (N) L satellite network.
4. Operation and maintenance of all micro-wave links.
5. Provision and management of the needed terrestrial capacity and its CPE routers.
6. Management and maintenance of the full network on 24hours/365 days’ basis.
7. Control and management of all remote locations via dedicated Inmarsat link and proprietary software.
8. Control and management of all hub locations via VPN link and proprietary software.

9. Provision of required licenses.

The selected Contractor will be responsible for the mobilisation and subsequent demobilisation of its equipment, tools and personnel between place of origin and APD (N) L's nominated onshore base location or nominated offshore location where the Services are to be performed.

#### **Mandatory Requirement:**

1. To be eligible for this tender exercise, interested Contractors are required to be pre-qualified in the **Product Group 1.14.20: Telecommunication Equipment and Systems** category in NipeX Joint Qualification System (NJQS) database. All successful pre-qualified suppliers in this category will receive Invitation to Tender (ITT).
2. To determine if you are pre-qualified and view the product/services category are listed for: Open [www.nipexng.com](http://www.nipexng.com) and access NJQS with your log in details, click on 'continue Joint Qualification Scheme tool, click on 'check my supplier status' and thereafter click on 'supplier product group'.
3. If you are not listed in a product/service category that you are registered with at DPR to do business, you may contact NipeX' office at 30, Oyinkan Abayomi Street, Ikoyi, Lagos with your DPR certificate as evidence for necessary update.
4. To initiate the JQS Pre-qualification process, you may access [www.nipexng.com](http://www.nipexng.com) to download the requisite application form, make necessary payments and contact NipeX office for further action.
5. To be eligible, all tenderers must comply with the Nigerian Content requirements in the NipeX system.

#### **Nigerian Content Requirements**
