**RE: FREEDOM OF INFORMATION REQUEST FOR RECORDS OF
PAYMENTS FOR CAPITAL PROJECTS RELEASED TO THE OFFICE
OF AUDITOR-GENERAL OF THE FEDERATION IN 2013**

In response to your letter dated 17th March, 2014, seeking for information on the above Subject Matter with the impetus from sections 2(3) and 2(4) of the Freedom of Information Act 2011. It is pertinent to note the following:

The Office of the Accountant General for the Federation had since developed software known as Government Intergrated Financial Management Information Systems (GIFMIS) a computerized Accounting Platform which makes it possible for MDAs to operate a single treasury account. Since then, Office of the Auditor-General for the Federation (OAuGF) has been carrying out all financial transactions through the platform.

In light of the forgoing, the Office of the Accountant General for the Federation has become an organization with greater interest in the information being sought, in line with the Guidelines on the Implimentation of the Freedom of Information Act 2011 (revised edition 2013), signed by the Honourable Attorney General of the Federation and Honorable Minister of Justice on the 27th of Feb, 2013.

The OAuGF therefore, needs to consult with the Office of the Accountant General for the Federation in order to meet your request and the associated cost shall be defrayed by your Organization (FOI Act).

However, you may consider rechanneling your request to the Accountant General of the Federation.

Please accept the warmest regards of the Auditor-General for the Federation.

Okafor-Agbi Uche (Mrs.)
for: Auditor-General for the Federation
