Dear Sir,

RE-PROGRAMME OF SECTIONALIZER INSTALLATION AT THE VARIOUS SITES

We refer to the above captioned project and attach herewith our work programme tabling the respective dates of commencement and completion of the installations of the sectionalizers.

The major problem we envisage is the outages that we would be requesting from the concerned business units which may be altered in view of the power demand pressure from the public, this may be more prevalent in Lagos.

We therefore seek your intervention to urge the respective distribution companies to cooperate with us to enable us keep to this date.

Thank you for your co-operation.

Yours faithfully,

CREDCO
