

Request for Educating Nigerian Girls in New Enterprises (ENGNE) Education Partner
ENGINE requires an education partner with demonstrated formal academic education expertise and experience in conducting training for teachers and developing/adapting Ministry of Education curriculum.

The consultant's objectives are as follows:

- To adapt Ministry of Education curriculum (with a focus on math, English, Hausa and Science) for the upper two grades of junior secondary, lower two grades of senior secondary and equivalent Islamiyya age groups, into supplementary materials for an after-school tutoring program to be used within Safe Spaces.
- To develop training content and training methodology for Safe Space facilitators in effective delivery of content for academic tutoring and reinforcement
- Adapt Early Grade Reading Assessment (EGRA) and Early Grade Math Assessment (EGMA) tests for the junior or secondary level age group.

The full Scope of Work and Bid Form must be obtained from <http://bit.ly/HqHFqi>

Please deliver submissions (using Bid Form) to The Procurement Department, Mercy Corps, #5 Peka Close, Off Buchanan Crescent, Behind Emab Plaza, Wuse II, Abuja by **Friday 8th November, 2013**. Once bids are submitted, no changes can be made. The submission should be placed in a sealed envelope.
