

Niger Delta Power Holding Company Limited

(National Integrated Power Project)

Request for Expression of Interest for Operation and Maintenance of NIPP Power Stations

Background

The Federal, States and Local Governments of Nigeria have invested in the construction of ten power stations as part of the National Integrated Power Project. The Niger Delta Power Noting Company Limited (NDPHC) is the special purpose vehicle established to own fee assets. The Board of Directors of NDPHC, acting on behalf of the owners, has approved the involvement of the private sector in the operation and eventual ownership of the power stations in order to ensure that they are managed in accordance with best international business practices.

To this end, NDPHC has engaged a transaction advisor to recommend and implement a sale/concession framework. NDPHC is also making Arrangements for the Operation and Maintenance of any of the ten power stations that become operational prior to the to the implementation of the sate/concession framework.

Therefore, NDPHC now invites experienced and competent companies to submit expressions of interest for the operator and maintenance (O&M) of the following power stations:

Lot A- Calabar 563 MW Power Station – 5 x GE Frame 9E Gas Turbines

Lot B- Egbema 338 MW Power Station – 3 x GE Frame 9E Gas Turbines

Lot C- Ihovbor 451 MW Power Station – 4 x GE Frame 9E Gas Turbines

Lot D- Gbarain 225 MW Power Station – 2 x GE Frame 9E Gas Turbines

Lot E- Omoku 451 MW Power Station – 2 x GE Frame 9E Gas Turbines

Lot F- Alaoji 1,074 MW Power Station – 4 x GE Frame 9E Gas Turbines + 2x285MW Steam Turbine (Combined cycle)

Lot G- Omotosho 451 MW Power Station – 4 x GE Frame 9E Gas Turbines

Lot H- Geregu 434 MW Power Station – 3 x Siemens V94.2 Gas Turbines

Requirements:

Interested companies are required to submit the following as part of their Expression of interest:

- Full name, incorporation details and country of domiciliation of the company
- Corporate profile
- Contact details (names, addresses, telephone numbers and email addresses) and identification and authorization of a Single point of contact
- Full name and incorporation details of Nigerian affiliate and letter of association or consortium, partnership or joint venture agreement
- Ownership structure
- Organization structure
- Names and profiles of directors and key executives of the company
- Annual reports and audited accounts for last three years with evidence of financial strength to cover damages arising from their operation of the plants
