Dear Sir,

**NIGERIA ELECTRICITY AND GAS IMPROVEMENT PROJECT- CREDIT NO 46200-UNI
SUPPLY AND INSTALLATION OF 300NO 11KV 500A ONLOAD SECTIONALIZERS AT
KARU IN ABUJA, LUTH, OGBA AND AGEGE IN LAGOS AND CHALLENGE IN IBADAN
HVDS NETWORK : NGP-D2**

RE-PROGRAMME OF SECTIONALIZER INSTALLATION AT THE VARIOUS SITES

We refer to the above captioned project and attach herewith our work programme tabling the respective dates of commencement and completion of the installations of the sectionalizers.

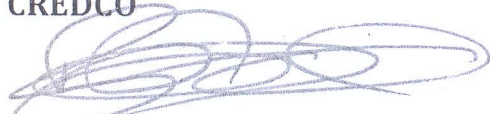

The major problem we envisage is the outages that we would be requesting from the concerned business units which may be altered in view of the power demand pressure from the public, this may be more prevalent in Lagos.

We therefore seek your intervention to urge the respective distribution companies to cooperate with us to enable us keep to this date.

Thank you for your co-operation.

Yours faithfully,

CREDCO
