TENDER OPPORTUNITY: PROVISION OF SPECIALTY MEDICAL SERVICES

TENDER REF: CW409103

(1.0) INTRODUCTION

SHELL hereby announces to interested and prequalified companies an upcoming tendering opportunity for the PROVISION OF SPECIALTY MEDICAL SERVICES for SNEPCO. The proposed contract will commence in Q3 2022 and remain active for a two-years duration, followed by a one year extension option.

Please visit the Nigerian Petroleum Exchange Portal www.nipex.com.ng for further details.

(2.0) SCOPE OF WORK

Contract is required to procure the services of well-trained medical professionals with cognate and relevant post qualification experience, including the services of Doctors, Nurses and other professionals.

Locum services will also be procured, which are required to fill staff slots that are vacant and to cover periods when Doctors, Nurses and other Health Staff are absent, on training courses or on annual leave. These services are also required during periods when the demand for medical services increase (peak shaving periods), or when there is a need for a specialty service. The contractor personnel shall deliver cost-effective and curative general and specialist medical services to eligible Shell staff, dependants, contractors and third parties in line with Shell policy to sustain a healthy and productive workforce. The contractor personnel must be suitably qualified for the provision of the services, e.g. for Physician services, MBBS, BLS, ACLS and additional fellowship qualification(s) in the area of specialty plus a minimum of five (5) years' experience as a consultant in that specialty shall be required.

Note that a minimum of five (5) years post-specialization experience is required for all services, except where deemed otherwise by Shell management.
