

Overview

THE SHELL PETROLEUM DEVELOPMENT COMPANY OF NIGERIA LIMITED

OPERATOR OF THE NNPC/SPDC/TEPNG/AGIP JOINT VENTURE

TENDER OPPORTUNITY: PROVISION OF CALL OFF SERVICES FOR BODO REMEDIATION PROJECT PHASE 3B -MANGROVE MONITORING

NIPEX TENDER NUMBER: SPDC.00000395

TENDER REF: CW487266

The Shell Petroleum Development Company (SPDC) as Operators of the Joint Venture between itself and the Nigerian National Petroleum Corporation (NNPC), on behalf of the Joint Venture hereby invites reputable and competent registered Nigerian companies (Department of Petroleum Resources (DPR), National Oil Spill Detection & Response Agency (NOSDRA) and Rivers State Ministry of Environment registered and licensed) with proven experience in provision of environmental services including assessments, environmental studies, forestry and biodiversity conservation to apply for inclusion into the bid list for the Provision of Call-off Services For Bodo Remediation Project Phase 3B – Mangrove Monitoring listed in the scope of work below. The Bodo clean-up area is located between Latitudes 4.55 to 4.64 and Longitudes 7.23 to 7.28 along the eastern Niger River delta dominated by former mangrove areas, tidal flats, mud- and/or sand-shorelines and open-water channels. The objective of the mangrove revegetation project is to re-introduce mangrove seedlings in former mangrove areas to encourage ecosystem recovery.

Bidders will be expected to demonstrate their capability and capacity to accept and deal with the financial and technical complexities associated with a contract of this magnitude and this evidence will be required in the next stage of this Tender.

SPDC hereby invites submission from reputable and competent Nigerian registered companies having requisite proven experience in the Provision of Call-off Services for Bodo Remediation Project Phase 3B – Mangrove Monitoring.

(2.0) SCOPE OF WORK/SERVICE REQUIREMENT

The summary of scope of work includes but is not limited to the under listed while the detailed scope will be provided as part of the ITT.

- Counting and verification of number of seedlings planted across the Bodo remediation area
- Identification and lagging of plants for monitoring
- Monitoring of mangrove seedlings survival status, conditions of the surrounding environment, and recording of parameters at intervals as defined by the Bodo Mediation Initiative Project Director (BMI PD)
- Identification of areas of significant mangrove loss as defined in the BMI mangrove planting and monitoring plan
- Provision of technical reports of the monitoring exercise
- Provision of all labour and all logistics for monitoring mangrove seedlings.

Note: Bidders are advised to visit the Bodo project site in Ogoni land, Rivers State (at their cost) before submitting their commercial bids and provide evidence of community support from the Bodo Contact Committee.

(1) To be eligible for this tender exercise, interested contractors are required to be pre-qualified in the Product/Service category in the NipeX Joint Qualification System (NJQS) below. Only successfully pre-qualified suppliers in NJQS database Product Group – 3.03.05-Safety and Environmental (R & D) Services and 3.02.02 – Safety, Health and Environment Consultancy will receive Invitation to Technical Tender (ITT)

(2) To determine if you are pre-qualified and view the product/service category you are listed for, open <http://vendors.nipex-ng.com> and access NJQS with your login details, click on continue Joint Qualification Scheme tool, click check my supplier status, and then click supplier product group.

(3) To qualify you must have Category A NIGERIAN CONTENT COMPLIANCE CERTIFICATE (NCCC) issued by Nigerian Content Development and Monitoring Board for Provision of services within these scopes.

(4) If you are not listed in a product/service category and you are registered with DPR to do business, contact NipeX office at 8-10 Boyo Kuku Street, Ikoyi, Lagos with your DPR certificate as evidence for necessary update.

(5) To initiate the JQS pre-qualification process, access www.nipex-ng.com to download the application form, make necessary payments, and contact NipeX office for further action.

(6) To be eligible, all tenders must comply with the Nigerian Content Requirements in the NipeX system.

(4.0) MINIMUM REQUIREMENTS

(1) A cover letter summarizing the content of the Pre-Qualification Document.
