(E) To initiate and complete the JQS prequalification process, access www.nipex-ng.com to download the application form, make necessary payments and contact NipeX office for further action.

NIGERIAN CONTENT REQUIREMENTS

SDWPL is committed to the development of the Nigerian Oil and Gas business in observance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

Pursuant to the NOGICD Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the

level set in the schedule of the NOGICD Act and any other target as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

Contractors are required to comply with the provisions of the NOGICD Act and all applicable regulations. Bidders that do not meet the Nigerian Content criterion will not be allowed to participate in next Tender Stage

The following are the Nigerian Content requirements bidders are expected to comply with in their technical bid submission.

(A) Furnish details of company ownership and shareholding structure. Also submit clear photocopies of your CAC Forms CAC 2 and CAC 7.

(B) Detailed description of the location of in-country committed facilities & infrastructure in Nigeria to support this contract or submit a credible and verifiable plan towards setting.

(C) Bidders are requested to execute an MOA with Local Training Service Provider (OGTAN member) for the provision of training services in specific technical disciplines involved in the project.

(D) Submit Tenderer's corporate organizational and project/contract specific organogram. CV's of all personnel listed in the project organogram should be submitted.

(E) Provide evidence (Purchase receipt, Bill of Landing etc.) of at least 50% Nigerian ownership of equipment.

(F) Provide NIGERIAN CONTENT EQUIPMENT CERTIFICATE (NCEC) issued by Nigerian Content Development and Monitoring Board.

CLOSE DATE

Only bidders who are registered with NJQS Product/Category 3.08.03 by 16:00 Hours, **October 6, 2017 being the advert close date shall be invited to submit technical bid.**

Please note the following:

(1) Suppliers eligible for this tender opportunity are expected to be prequalified in NJQS under this product/service category: 3.08.03 (Air Transport Services of Passengers and Freight).

(2) The Invitation to Tender (ITT) and any further progression of this tender shall be via NipeX.

(3) All costs incurred in preparing and processing NJQS prequalification shall be to the contractor's accounts.

(4) Suppliers eligible for this tender opportunity are expected to meet the requirement of the Nigerian Civil Aviation Authority (NCAA).

(5) This advertisement shall neither be construed as any form of commitment on the part of Chevron Nigeria Limited to award any contract to any company and or associated companies, sub-contractors or agents, nor shall it entitle prequalified companies to make any claims whatsoever, and/or seek any indemnity from Chevron Nigeria Limited and or any of its partners by virtue of such companies having been prequalified in NJQS.

(6) The tendering process shall be the NNPC contracting process requiring prequalified companies to submit technical tenders first. Following a technical review, only technically and financially qualified contractors will be requested to submit commercial tenders.

(7) SDWPL will communicate only with authorized officers of the pre-qualifying companies and NOT through individuals or Agents.
