- To be eligible for this exercise, interested Tenderers are required to be prequalified in the Product/Service Categories 3.04.03 Cementing Equipment Services (categories A – D), 3.04.15 and 1.01.05 in the NipeX Joint Qualification System (NJQS) database. All successfully pre-qualified suppliers in this category will receive a Technical Invitation to Tender (ITT).
- To qualify you must have Category A NIGERIAN CONTENT EQUIPMENT CERTIFICATE (NCEC) issued by Nigerian Content Development and Monitoring Board for this service.
- Only Tenderers with the Category A NIGERIAN CONTENT EQUIPMENT CERTIFICATE (NCEC) will be invited for the Tender
- To determine if you are pre-qualified and to view the product/service category you are listed for, log on to <http://vendors.nipex-ng.com> and access the NJQS with your log in details, click on “Continue to Joint Qualification Scheme tool”, click on “check my supplier status” and then click “Supplier product group”.
- If you are not listed in a product/service category you are registered with the Department of Petroleum Resources (DPR) to do business, contact the NipeX office at 8 Bayo Kuku Road off Alfred Rewane Road Ikoyi Lagos with your DPR certificate as evidence for verification and necessary update.
- To initiate the NJQS prequalification process, access [www.nipex-ng.com](http://www.nipex-ng.com) to download the application form, make necessary payments and contact the NipeX office for further action.
- To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.
- Provide evidence of company Ownership Structure form CO2 and CO7, registration on NOGIC JQS and DPR certificate.
- Detailed description of the location of in-country committed facilities & infrastructure (Administrative/Technical offices, workshop, assembly area, etc) in Nigeria to support this contract.
- In line with the NCD Human Capacity Development Initiative, Bidder shall commit to providing Project-Specific training, man-hour, budget, skill development and understudy plan for Nigerian personnel utilizing OGTAN registered trainer(s) or other approved NCDMB training institution(s).
- Submit Tenderer’s corporate organizational and project/contract specific organogram. CV’s of all personnel (as required by the Client and the service) listed in the project organogram should be submitted. For any position to be occupied by expatriate, tenderer shall provide evidence to obtain expatriate quota approval granted by NCDMB before any expatriate is deployed to execute this work scope”.
- Provide evidence of at least 50% Nigerian ownership of Cementing equipment as mentioned in the scope of work.
- Provide Category C NIGERIAN CONTENT EQUIPMENT CERTIFICATE (NCEC) issued by Nigerian Content Development and Monitoring Board in respect of the mentioned equipment.

(i) Details of in-country procurement plan and Binding MOA to source goods and materials

(ii) demonstrate evidence to procure Class G cement from local cement manufacturer provided evidence of binding MOA with local cement manufacturer to procure Class G cement.

#### **(4.0) Closing date**

Only tenderers who have Category A NIGERIAN CONTENT EQUIPMENT CERTIFICATE (NCEC) issued by Nigerian Content Development and Monitoring Board for this service and are registered with NJQS in the relevant Product/Service category as at **February 1, 2021** being the advert closing date shall be invited to submit Technical Bids.

#### **(5.0) Additional Information**

- Expected Contract Award Date: Q3 2021
- Contract Duration: 3 years + a 2-year extension option
- All respondents to Shell Nigeria advertisements must ensure full compliance with the Nigerian Oil & Gas Industry Content Development Act, 2010. Respondents should educate themselves on the Nigerian Oil & Gas Industry Content Development Act, 2010. Non-compliance will disqualify respondents from further consideration.
- This advertisement is not an invitation to tender for the above services. There is no commitment or obligation, implied or otherwise, for SPDC to issue a tender or enter into a contract. Participation in the pre-qualification exercise does not construe or imply any commitment to any party or entitle any party to any indemnity or any form of payment from SPDC.
- Suppliers eligible for this tender opportunity are expected to be prequalified in NJQS under the relevant product/service categories.
- All costs incurred in preparing and processing NJQS prequalification shall be to the contractor's accounts.
- This advertisement shall neither be construed as any form of commitment on the part of SHELL PETROLEUM DEVELOPMENT COMPANY LIMITED to award any contract to any company and or associated companies, subcontractors or agents, nor shall it entitle prequalified companies to make any claims whatsoever, and/or seek any indemnity from SHELL PETROLEUM DEVELOPMENT COMPANY LIMITED and or any of its partners by virtue of such companies having been prequalified in NJQS.
- The tendering process shall be the NNPC contracting process requiring pre-qualified companies to submit technical tenders first. Following a technical review, only technically and financially qualified contractors will be requested to submit commercial tenders.
- NNPC/SHELL PETROLEUM DEVELOPMENT COMPANY LIMITED reserves the right to reject any and or all prequalified suppliers at its sole discretion and at no cost whatsoever.

- SHELL PETROLEUM DEVELOPMENT COMPANY LIMITED will communicate only with authorized officers of the prequalifying companies and NOT through individuals or Agents.
