(A) To be eligible for this tender exercise, interested bidders are required to be pre – qualified in the 1.02.01 (Cranes, Davits, Hoists, Winches and Accessories) and 1.02.03 (Trucks, Forklifts and Accessories) Categories in NipeX Joint Qualification System (NJQS) database. All Bidders who are pre-qualified and “live” in these categories by the bid close date stated in this advert will receive the Invitation to Technical Tender (ITT).

(B) To determine if you are pre-qualified and view the product/service category you are listed for: Open <http://vendors.nipexigs.com> and access NJQS with your log in details Click on Products/Services tab to view your status and product codes.

(C) If you are not listed in a product/service category you are registered with DPR to do business, please contact NipeX office at 8-10 Bayo Kuku Street, Ikoyi Lagos with your DPR certificate as evidence for verification and necessary update.

(D) To initiate the JQS prequalification process, access www.nipex-ng.com click on services tab followed by NJQS registration.

(E) To be eligible, all interested bidders must comply with the Nigerian Content requirements in the NipeX system.

NIGERIAN CONTENT REQUIREMENTS:

Chevron Nigeria Limited is committed to the development of the Nigerian Oil and Gas business in observance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

Pursuant to enactment of the NOGICD Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the schedule of the Act and any other target as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

Contractors shall comply with the provisions of the NOGICD Act and all applicable regulations. Bidders that do not meet the Nigerian Content criterion will not be allowed to participate in next Tender Stage

The following are the Nigerian Content requirements bidders are expected to comply with in their technical bid submission.

(A) Demonstrate that the entity is a Nigerian Registered Company, or a Nigerian Registered Company in genuine alliance or joint venture with foreign company with details on scope and responsibilities of parties for this work. Such companies must show evidence of joint venture binding agreement duly signed by the CEO of both companies including evidence or plans of physical operational presence and set-up in Nigeria

(B) Furnish details of company ownership and shareholding structure. Also submit clear photocopies of your CAC Forms C02 and Co7

(C) Provide evidence of the percentage of 1) key management positions that are held by Nigerians and 2) total work force that are Nigerians. Also, show overall percentage of work to be performed by Nigerian resources relative to total work volume.

(D) Provide a Nigerian Content Plan with a detailed description of the role, work scope, man-hours and responsibilities of all Nigerian companies and personnel that will be involved in executing the work. Also provide details of Nigerian Content contact or manager.

(E) State proposed total scope of work to be performed by Nigerian personnel (whether contracted directly or under subcontract agreements) with names and addresses including evidences of well-equipped offices and workshop; attach past experience of such patronage,

(F) Specific to this project, provide detailed plan for staff training and development on engineering, project management and procurement (including all software to be used, number

of personnel, name of organization providing such training and evidence of past training record) for Nigerian personnel including description of any specific programs in place for transfer of technology and skills to indigenous businesses and Nigerians over the next five (5) years.

(G) Provide evidence of domiciliation of project management and procurement centers in Nigeria with physical addresses (not P.O. Box).

(H) Location of in-country facilities, (Equipment, storage, workshops, repair & maintenance facilities and, testing facilities).

(I) Contractor must be willing and able to provide evidence of maximisation of made in Nigeria goods and services

(J) Provide details on any other Nigerian Content initiative your company is involved in.

(K) Provide evidence of MOU with QGTAN registered trainer to conduct classroom module of training and on the job attachment

(L) Provide human capacity building development plan including budget which must be minimum 10% of project man-hours or cost. Training will be targeted at developing capacity other than bidder's personnel. Trainees will be nominated from a database maintained by NCDMB and the services of OGTAN registered trainers utilized to cover classroom modules.

(M) Provide details of equipment ownership.

(N) Bidders (Vendors, Original Equipment, Manufacturers-OEMs, and EPC Contractors) are required to present Nigerian Content Equipment Certificate (NCEC) issued by Nigerian Content Development and Monitoring Board (or evidence of application for the certificate) in respect of any components, spares, equipment, systems and packages to be used in the proposed project under tender.

(O) All Bidders for a project/contract/service with a completion period of 12 months or more are required to submit as part of the Nigerian Content requirement, a signed Memorandum of Agreement (MOA) between it and one of the research and development (R&D) Clusters established by the Nigerian Content Development & Monitoring Board (NCDMB). The MOA shall be relevant to the project and shall indicate how the Bidder intends to use the relevant R&D Clusters during project execution.

(P) As contained in Nigerian Content directives only Indigenous companies or Indigenous companies in genuine alliances are qualified to tender for onshore (land or swamp) services.

Failure to meet the Nigerian Content requirements is a fatal flaw.

CLOSE DATE:

Only tenderers who are pre-qualified and Live with NJQS Product 1.02.01 (Cranes, Davits, Hoists, Winches and Accessories) and 1.02.03 (Trucks, forklifts and Accessories Categories) by **4:00pm., on 15, November, 2018** being the advert close date shall be invited to submit technical bids.
