

Save the Children

Tender Notice

Consultancy

Save the Children is the world's leading independent organisation for children. We work in 120 countries. We save children's lives; we fight for their rights; we help them fulfill their potential. We work together, with our partners, to inspire breakthroughs in the way the world treats children and to achieve immediate and lasting change in their lives. We have over two million supporters worldwide and raised 1.6 billion dollars in 2011 to reach children more than ever before through programmes in health, nutrition, education, protection and child rights, also in times of humanitarian crises.

Save the Children International in Nigeria is inviting submissions of tender to do a baseline assessment in selected LGAs of Lagos state. Save the Children is planning to design a long term programme on diarrhoea prevention & control to be implemented in Lagos state, specifically in 4 LGAs (Alimosho, Shomolu, Kosofe, and Lagos Mainland). In order to effectively inform the design of this strategic intervention, Save the Children intends to have a comprehensive equity-based understanding of the prevailing child survival / health and water, sanitation and hygiene (WASH) situation, and the prevailing policy, programmes and the barriers to access for child health and water sanitation services in the Lagos State in general and targeted LGAs in particular. The main purpose of the study is to analyse the strengths, weaknesses and opportunities to better grasp, what our potential focus should be, and what quantifiable outcomes and impact can be achieved in the next 3-5 years in terms of scaling up access to evidence-based equitable, essential and innovative diarrhea prevention and control services.

The tenders for contract are expected to carry out the aforementioned research and submit a technical and financial proposal of not more than 8 pages and 2 page respectively. Detailed technical specifications are included within the tender documents which are available upon request.

If you are interested in submitting a bid, please contact Save the Children at the following email address; Nigeria.Tender@savethechildren.org to express your interest, and request the tender documents concerned. Tender documents will be sent to you by email- requesting you to further submit your technical proposal which clearly spelt out

your methodology or how you intend to carry out the formative research and your financial proposal based on your proposed methodology,

Closing date: Only bids submitted prior to 5:00pm GMT on or before 23rd June 2014 at
