

Nigerian Agip Oil Company Limited

Operator of the NNPC/NAOC/Phillips Oil Joint Venture

Tender Opportunity:

Global Maintenance Service For ATG, PD, Turbine, Floco Meters, Prover Loop and Physical

Instruments Recalibrations

1. Introduction

The Nigerian Agip Oil Company Limited (NAOC) intends to put in place a Global Maintenance Contract for ATG, PD, Turbine, Floco meters and Prover loop recalibrations and maintenance.

NAOC therefore uses this medium to inform suitable and reputable indigenous companies having requisite experience and resources for the execution of projects of this magnitude to register or update their registration with NipeX for consideration in the subject opportunity.

2. Scope of Work

The equipment is located in Company's Land and Swamp areas. The target plants are located in the following fields:

Land		Swamp
PD METERS	20	15
ATG METERS	20	15
TURBINE METERS	5	8
TARGET METERS	2	-
FLOCO METERS	4	2
PROVER LOOP PLUS DIVERTER VALVES	7	6

PHYSICAL INSTRUMENT CALIBRATION	100	75
---------------------------------	-----	----

The ultimate objective of the multi-years contract shall be to achieve and possibly exceed the target availability of the equipment, with full responsibility and accountability of Contractor on the execution of all required maintenance. Therefore Contractor, shall carry out all the activities within the established workflow, for the following maintenance types:

- Routine maintenance
- Preventive (Programmed and Predictive) Maintenance
- Corrective maintenance
- Modification and Improvements/Upgrades
- Extraordinary Maintenance

For all the above activities Contractor shall also carry out the relevant engineering and procurement of operating spare parts.

3. **Mandatory Requirements**

a) To be eligible for this tender exercise, interested Contractors are required to be pre-qualified in the 3.01.05 – Electro / Control Instrumentation Services and 3.07.05 – Instrument Testing / Calibration Services (Product/Services) in NipeX Joint Qualification System (NJQS) database. All successfully pre-qualified suppliers in this category will receive Invitation to Technical Tender (ITT).

b) To determine if you are pre-qualified and view the product/service category you are listed for: Open www.nipexng.com and access NJQS with your log in details, click on continue Joint Qualification Scheme tool, click check my supplier status and then click supplier product group.
