

**Nigerian Gas Company Limited (NGC Ltd)**

**A Subsidiary of Nigerian National Petroleum Corporation (NNPC)**

**Tender Opportunity: Procurement, Construction, Installation and Commissioning (PC) Works for the Gas Pipeline System from NAOC OB/OB Gas Plant to NIPP EGBEMA**

**1.0 Introduction**

The Nigerian Gas Company Limited (NGC), a subsidiary of Nigerian National Petroleum Corporation (NNPC) intends to execute the project for the Procurement, Construction, Installation and Commissioning (PC) contract of a 24"x22km, Class 600 gas transmission pipeline, launcher and receiver facilities from NAOC OB/OB gas plant in Rivers state to NIPP Egbema in Imo state. This advertisement seeks for the services of competent and qualified contractor with suitable equipment and relevant experience to carry out the works.

**2.0 Scope of Works**

The Summary of the scope of works to be carried out by successful PC contractor includes but not limited to the following:

- (a.) Procurement, supply, inspection, testing, transportation, delivery to site of all materials/equipment (valves, LBV, fittings etc.) and consumables, temporary and permanent works to be incorporated into or temporarily located at the worksites for the complete construction, testing and commissioning of the pipeline system with exception of the 24inch x 22km line Pipes.
- (b.) Procurement, supply and transportation to site of pig launcher & Receiver facilities, drain tank and all associated materials.
- (c.) Procurement, supply, inspection, testing, transportation and delivery to site of meters, instrumentation & control materials/equipment
- (d.) Construction, fabrication and Installation works of 24" x 22km, Class 600 gas transmission pipeline system with all necessary associated facilities including manifolds, block valves, pig launching & receiving facilities, road & river crossings (where applicable),

cathodic protection systems and all necessary metering, instrumentation and control facilities for complete the pipeline and ancillary facilities as proposed.

(e.) Tie-in of the 24" x 22 km pipeline to NAOC gas plant and NIPP metering station Egbema.

(f.) All Civil Works (including block wall fencing of 25m x 25m at the tie in/pigging station at OB-OB node, Electrical, Instrumentation and Control works necessary for the construction and execution of the works).

(g.) On-site testing, pre-commissioning, commissioning and handover of the pipeline and pig trap system,

(h.) Project management and control of the entire project from award through to final acceptance by NGC to ensure proper, sound and timely performance of the work.

(i.) Training of NGC personnel and provision of operation/maintenance manuals and submission of As-built documentations.

(j.) Demobilisation of all contractor's facilities, camp, offices, workshops, equipment, temporary facilities, and surplus waste materials, and reinstatement of such areas to its original state.

### **3.0 Mandatory Requirements**

(A.) To be eligible for this tender exercise, interested bidders are required to be pre-qualified in the Pipeline Systems 04.02.04 or 04.03.04 or 04.04.04 service category in the NipeX Joint Qualification System (NJQS) database. All successfully pre-qualified suppliers in this NJQS category by the advert close date will receive Invitation to Technical Tender (ITT) for this service.

(B.) To determine if you are pre-qualified or view the product/service category you are listed for visit: [www.nipexng.com](http://www.nipexng.com) and access NJQS with your log-in details. Click on continue Joint Qualification Scheme tool, click check my supplier status and then click supplier product group.

(C.) If you are not listed in this product/service category and you are registered with DPR to do business, contact NipeX office at 30, Oyinkan Abayomi Street, Ikoyi, Lagos, with your DPR certificate as evidence for necessary update.
