(D) To initiate the JQS pre-qualification process, access www.nipex-ng.com to download application form, make necessary payments and contact NipeX office for further action

(E) To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.

(4) Nigerian Content

Company is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010. As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

EEPNL requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as: “The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry.”

“Nigerian company” is a company formed and registered in Nigeria in accordance with the provisions of Companies and Allied Matters Act with not less than 51% equity shares by Nigerians.

Bidders shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

As part of their submissions, Tenderers shall:

(1) Provide a description of its committed infrastructure (asset, equipment, technical office, and administrative space, storage, workshop, assembly area, repair, and maintenance, testing, laboratory, etc.) in Nigeria (offices, equipment etc.) to support this contract,

- (2) Evidence that 50% of all equipment deployed to work by multinational and international companies are owned by the Nigerian subsidiary.
- (3) Demonstrate that entity is a Nigerian-registered company. Provide details of its Ownership Structure. Submit certified true copies of CAC forms (C02 & C07) including memorandum & article of association. For foreign companies and multinational in alliance with a local company, submit evidence that the local company is an indigenous company and the binding agreement of the alliance duly signed by the CEOs of both parties.
- (4) Submit a plan on how it intends to give first consideration to services provided from within Nigeria, to meet 90% Nigerian Content Manhours in line with the requirements of the NOGICD Act for Engineering Modification and Maintenance Services for a Site/Platform under the Modification and Maintenance category of the Schedule of the Act
- (5) Demonstrate key Management positions that are Nigerian Nationals and the percentage of the Company total workforce (direct and in-direct employees) that are Nigerians.
- (6) Submit a plan on how it intends to provide Human Capacity Development and Personnel Training
- (7) Submit evidence of Memorandum of Agreement (MOA) with NCDMB approved R&D cluster for the execution of the R&D activities.
- (8) Provide evidence of application for NIGERIAN CONTENT EQUIPMENT CERTIFICATE (NCEC) issued by Nigerian Content Development and Monitoring Board (in respect of any components, spares, equipment, systems and packages to be used on the project

Bidders' failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Bidder's disqualification.
