(v) To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.

(4) Nigerian Content

Company is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

NNPC/MPN JV requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as:

“The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry.”

“Nigerian company” is a company registered in Nigeria in accordance with the provisions of Companies and Allied Matters Act with not less than 51% equity shares by Nigerians.

Bidders shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

As part of their technical tender submissions, prequalified Tenderers shall:

- (i) Provide a description of its committed infrastructure (asset, equipment, technical office, and administrative space, storage, workshop, assembly area, repair, and maintenance, testing, laboratory, etc) in Nigeria (offices, equipment etc) to support this contract, evidence that a minimum of 50% of all equipment deployed to work by multinational and international companies are owned by the Nigerian subsidiary.
- (ii) Demonstrate that its entity is a Nigerian registered company, defined as a company registered in Nigeria in accordance with the provision of Company and Allied Matters Act. Provide details of its Ownership Structure. Submit certified true copies of CAC form (C02 and C07) including Memorandum and Article of Association. For Nigerian company in alliance with a foreign company or multinational, submit evidence of binding agreement of the alliance duly signed by the CEO's of both parties.
- (iii) Submit a plan on how it intends to give first consideration to services provided from within Nigeria, raw materials and manufactured & assembled goods of Nigerian origin, in order to comply with the requirements of the NOGICD 2010 Act, and achieve the set target(s) in the Schedule of the Act i.e. 50% of total spend achieved with Nigerian personnel, materials, equipment and services for Jack Up Production Unit. The plan must show utilization of Nigerian labour, services, Materials and Equipment for this service in order to achieve the requirements of the NOGICD Act.
- (iv) Demonstrate key Management positions that are Nigerian Nationals and the percentage of the Company total workforce (direct and in-direct employees) that are Nigerians
- (v) Submit a plan on how it intends to provide Human Capacity Development and Personnel Training
- (vi) Provide evidence of application for Nigerian Content Equipment Certificate (NCEC) issued by Nigerian Content Development and Monitoring Board (in respect of any components, spares, equipment, systems and packages to be used on the project

Bidders' failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Bidder's disqualification.

(5) NIMASA

Compliance with the Coastal and inland Shipping (Cabotage) Act 2003 is a prerequisite for consideration of Tenders.
