

Mobil Producing Nigeria Unlimited

An ExxonMobil Subsidiary

Operator of the NNPC/MPN Joint Venture

Tender Opportunity: Provision of Large Outer Diameter OCTG and Services for Year 2015 – 2018 Drilling Program

NipeX Tender Number: 0400224

1.0 Introduction

Mobil Producing Nigeria Unlimited (MPN) operator of the NNPC/MPN Joint Venture (JV) plans to carry out Large OD OCTG and Services on its offshore exploration, appraisal, and production location(s) in NNPC/MPN JV acreages. Anticipated contract term is three (3) years with an additional two (2) years option period. Contract commencement is expected in the fourth (4th) quarter of 2015.

2.0 Scope of Work

The contractor shall provide all personnel, services and equipment associated provision of Large Outside Diameter Oil Country Tubular Goods (OCTG) and services.

- Contractor shall provide Large Outside Diameter Oil Country Tubular Goods (OCTG) from an ExxonMobil Qualified/Certified Mill and services that comply with Company and industry standards and specifications in connection with drilling activities for the NNPC/MPN JV Drilling Program
- Contractor shall provide a comprehensive supply chain for OCTG equipment as outlined in this Agreement Including, but not limited to the Contractor providing various size, weights, and grades of OCTG materials (carbon and alloy -20" to 48" OD) from an ExxonMobil Qualified/Certified Mill as specified by Company, manufactured and monogrammed to API 5CT and proprietary grades as appropriate, utilizing a Vendor Managed Stocking Program (VMSP).

The full program will include approximately one hundred and eighty (180) wells over the initial three (3) years contract term, Services shall be executed mainly in the NNPC / MPN JV acreage Nigeria using up to two (5) drilling rigs. The term may be extended for an additional one year at Company's option. Company reserves the right to award partial work to more than one Contractor

3.0 Nigerian Content

Company committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

As from the commencement of this Act the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

MFNU requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as:

- The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry.”
- “Nigerian company” is a company registered in Nigeria in accordance with the provisions of Companies and Allied Matters Act with not less than 51 % equity shares by Nigerians.
- Bidders shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

As part of their submissions. Tenderers shall:

- Provide a description of its committed infrastructure (asset, equipment, technical office, and administrative space, storage, workshop, assembly area, repair, and maintenance, testing, laboratory, etc.) in Nigeria (offices, equipment etc.) to support this contract, evidence that a minimum of 50% of all equipment deployed to work by multinational and international companies are owned by the Nigerian subsidiary
- Demonstrate that its entity is a Nigerian registered company, defined as a company registered in Nigeria in accordance with the provision of Company and Allied Matters Act. Provide details of its Ownership Structure. Submit certified true copies of CAC form (C02 and C07) including Memorandum and Article of Association. For Nigerian company in alliance with a foreign company or multinational, submit evidence of binding agreement of the alliance duly signed by the CEO's of both parties

- Submit a plan on how it intends to give first consideration to goods and services provided from within Nigeria, to meet 95% man hours NC target in line with the requirements of the Act
- Demonstrate key Management positions that are Nigerian Nationals and the percentage of the Company total workforce (direct and in-direct employees) that are Nigerians
- Submit a plan on how it intends to provide Human Capacity Development and Personnel Training
- Provide evidence of application for NIGERIAN CONTENT EQUIPMENT CERTIFICATE (NCEC) issued by Nigerian Content Development and Monitoring Board (in respect of any components, spares, equipment, systems and packages to be used on the project)

Bidders' failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Bidder's disqualification.
