Tender Opportunity Provision of Rope Access Services

Introduction:

Chevron Nigeria Limited invites interested and prequalified companies for this tender opportunity for the Provision of Rope Access Services which shall be in Company's Escravos site for work within the Tank Terminal and in the fields offshore Escravos, swamp locations, or at other locations as required to support CNL's ongoing oil and gas production activities.

Scope of Work:

The scope of work for the services include but not limited to:

- Provision of Rope Access support services to the following work activities:
- Flow-line/Riser and pipe work repair
- Non-Destructive Testing (NDT)
- Surface Preparation and Painting
- Welding and Fabrication

Contractor will provide equipment and labor necessary to provide the support services to aforementioned work activities and any other as may be requested by the Company.

Contractor will be responsible for customs clearance, duty and related costs, approvals of Government and Government franchised groups for importation of those equipment and materials specified for the work but which could not be available for procurement in-country.

CNL will require rope access teams stationed at its Escravos facility. The teams will be required to provide flow line / riser and pipe work repairs, light fabrication and mechanical works through the deployment of rope access techniques to execute jobs located in Escravos Tank Farm, Onshore and Offshore facilities including export pipelines.

Mandatory Requirements:

A. To be eligible for this tender exercise, interested bidders are required to be pre – qualified in the 3.05.16 (Rope Access Services) category in NipeX Joint Qualification System (NJQS) database. All successfully pre-qualified suppliers in this category by the bid close date will receive Invitation to Technical Tender (ITT).

B. Please note that interested bidders including their sub-contractor(s) shall be required to:

I. Meet all JQS mandatory requirements to be listed as “Prequalified” for a category in the JQS database.
