

## **Total E&P Nigeria Limited**

### **Operator of the NNPC/Total Joint Venture**

### **Tender Opportunity for Provision of Emergency and Fire Safety Team Management Services**

**NipeX Tender Ref. No: 2500223**

#### **1.0 Introduction**

Total E&P Nigeria Limited Deepwater District issues tender opportunity to interested and reputable Contractors with competent and skilled personnel, suitable equipment and relevant experience for consideration to tender for the provision of Emergency and Fire Safety Team Management Services to be performed at Deepwater District Head Office.

#### **2.0 Brief description of the work scope:**

In order to ensure a level of emergency preparedness commensurate with the manning and activities within the TUCN Deepwater District Head Office, TOTAL requires the Provision of Emergency and Fire Safety Team Management Services at Deepwater District Head Office as follows:

- Safety and Fire safety services; Co-ordinate, support and actively participate in safety and fire prevention within the frame of an emergency and/or Crisis Management and Plans during drills, exercises or real incident response operations.
- Fire, rescue and escape equipment inspection, and planned routine maintenance as and where required
- Emergency Response Intervention Team (24/7 response) – shift team emergency role
- Training, HSE induction and drill exercises
- Permanently man the Safety & Fire Prevention Office / Control Room / Fire Panel Room
- Administration of relevant documentation, i.e. logs, emergency procedures, training materials, emergency signage, etc

The commencement date estimated for the provision of service shall be Q1, 2016 with duration of two (2) years and an option to extend for a further period of one (1) year.

#### **3.0 Mandatory Requirements**

- (1) To be eligible for this tender exercise, interested contractors are required to be pre-qualified in the 3.02.02 (Safety, Health and Environment) under Consultancy Services Category under the Nipex Joint Qualification System (NJQS) database. All successfully pre-qualified Tenderers in this category will receive Invitation to Tender (ITT) for this service.
- (2) To determine if you are pre-qualified and view the product services category you are listed for; open [www.nipexng.com](http://www.nipexng.com) and access NJQS with your log in details, click on continue Joint Qualification Scheme tool, click check my supplier status and then click supplier product group.
- (3) If you are not listed in a product/service category and you are registered with DPR to do business in this category, **please contact NipeX office at 30, Oyinkan Abayomi Street, Ikoyi Lagos with your DPR certificate as evidence for verification and necessary update.**
- (4) To initiate the JQS pre-qualification process, access [www.nipexng.com](http://www.nipexng.com) to download application form, make necessary payments and contact NipeX office for further action.
- (5) To be eligible, all tenders must comply with the Nigerian content requirements in the NipeX system.

#### **4.0 Nigerian Content**

COMPANY is committed to the promotion of the Nigerian Oil and gas business in alignment with the Nigerian Content Act 2010 for the Nigerian Oil and Gas Industry Content Development.

It is important that prospective bidders familiarize themselves and comply with the provisions of the Nigerian Oil & Gas Industry Content Development Act otherwise referred to as The Nigerian Content Act at the stage of bidding.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian oil and gas industry shall be consistent with the level set in the Schedule of the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (The Board)

Prospective bidders shall comply with all the provisions of the Nigerian Content Act that relate to this contract but in particular comply with the minimum Nigerian Content percentage for the scopes (engineering, procurement, construction & installation) which are covered in the Schedule of the Act and any other requirement that may arise from time to time not explicitly stated in this contract but which apply to the contract in fulfillment of the Nigerian Content Act, during the bidding stage.

Contractors that demonstrate their commitment to meet or exceed the Nigerian Content Act requirements shall be a ground for preferential consideration in the technical and commercial bid evaluation.

Failure to fully comply with the Nigerian Content Act or demonstrate commitment to Nigerian Content Development Policy of the Nigerian government shall result to disqualification from bidding this contract.

**During the bidding stage, contractors shall:**

(1) Develop a Nigerian Content Plan (NCP), which shall explain the methodology of how it intends to comply with the requirements of the Act and how to achieve the set target(s) in the Schedule of Nigerian Oil & Gas Industry Content Development Act and any targets set by The Board. How it intends to give first consideration to services provided from within Nigeria, first consideration to goods manufactured in Nigeria and first considerations for employment and training of Nigerians in work programme. The NCP shall consistent with the Act demonstrate that Nigerian indigenous service companies have been given exclusive considerations to bid and execute work in land and swamp operating areas and their full utilization and engagement in exploration, seismic data processing, engineering design, reservoir studies, manufacturing, fabrication and provision of services. That the project or contract has given full and effective support to technology transfer by encouraging foreign and multinational companies to develop joint ventures and alliances with Nigerian service companies and suppliers. Tenderer's detailed plan to achieve/sustain the minimum percentage Nigerian Content level as prescribed by the applicable measurement metrics in the Schedule of the Nigerian Content Act 2010.

(2) Demonstrate that entity is a Nigerian-registered company. Submit certified true copies of CAC forms 10, 02 & 07 (or its equivalent; CAC 2.3, 2.4, 2.5, etc) including company memorandum & article of association and other evidence of entity's incorporation, shareholding & ownership structure in Nigeria. Maximizing Nigerian Content is a key contract priority, therefore for foreign companies and multinationals in alliance with a local company, submit evidence that the local company is an indigenous company and the binding Agreement of the alliance duly signed Agreement by the CEO of both parties and stating the specific work scope to be performed by each member of the alliance.

(3) Provide detailed description of the location of in-country committed facilities & infrastructure to support this contract or submit a credible and verifiable plan towards setting-up to support this contract, evidence that 50% of all equipment deployed to work by multinational and international companies are owned by the local subsidiaries or submit a credible and verifiable plan towards compliance to these requirements. Submit the detailed description of facilities and infrastructure in Nigeria with evidence of ownership and location in-country.

(4) Provide a project-specific training, man-hour budget, skill development and technology transfer plan for Nigerian personnel or indigenous business including evidence of past performance on training and development for Nigerians nationals & indigenous business. Plan for sponsorship of Nigerians to acquire competence and/or certification. Further development of local employees as professionals. Bidders would be requested to execute an enforceable MOA with Local Training Service Provider for the provision of training services in specific technical disciplines involved in the project.

(5) All personnel positions (key & non-key) shall be staffed by Nigerian national employees. Therefore, Tenderer shall provide evidence of contractor organization with personnel list by name nationality and position nominated to on the contract.

(6) Provide description of how bidder has given first considerations to the utilization of Nigerian resources (labour, raw materials & manufactured goods and services) in the execution of this contract. Maximizing Nigerian Content is a key Project priority.

(7) Provide evidence of Nigerian Content Equipment Certificate (NCEC) issued by Nigerian Content Development and Monitoring Board in respect of any component, spares, equipment, systems and packages to be used to perform this service.

**5.0 Closing Date:**

Only Tenderers who are registered in the relevant Product/service Category in the NipeX Joint Qualification Scheme (NJQS) database as at **July 30th, 2015** being the advert close date shall be invited to submit Technical Bids.

**6.0 Additional Information:**

Tenderers eligible for this tender opportunity are expected to be pre-qualified in NJQS under the product/service category.

All costs incurred in preparing and processing NJQS pre-qualification shall be for the account of Tenderer.

Evidence of proper documentation substantiating the ability to undertake the scope of work will be demanded as part of the technical requirements.

This advertisement shall neither be construed as any form of commitment on the part of TOTAL to award any contract to any company and or associated companies, sub-contractors or agents, nor shall it entitle pre-qualified companies to make any claims whatsoever, and/or seek any indemnity from TOTAL and or any of its partners by virtue of such companies having been pre-qualified in NJQS.

The tendering process shall be the NNPC contracting process requiring pre-qualified companies to submit technical tenders first. Following a technical review, only technically and financially qualified contractors will be requested to submit commercial offers.

TOTAL will communicate only with authorized officers of the qualifying companies at each stage of the Tender process, as necessary, and will NOT communicate through individuals or Agents.
