

Star Deep Water Petroleum Limited
A Chevron Company
Operator of the Agbami Unit (OML 127/128)

Tender Opportunity; Provision of Flotel Vessel Services

Nipex Tender No: 2200139

Introduction

Star Deep Water Petroleum Limited (SDWPL) invites interested and prequalified companies to this tender opportunity for the provision of an accommodation flotel vessel to support the 2016 Agbami field turnaround maintenance project. The contract is proposed to commence in the 2nd quarter of 2016 for three (3) months duration.

Scope of Work/Service Requirements

The scope of work for the services includes, but is not limited to, the following;

- Provision of one (1) Accommodation Flotel vessel to support the 2016 Agbami Field Turnaround Maintenance Project.
- Provision of vessel, equipment and trained crew necessary to keep the vessel operational throughout the duration of the service.
- Provision of adequate accommodation and board offshore for the turnaround work crew as contained in the detailed technical specifications.
- Provision of gangway connection to the Agbami FP50 vessel.
- The vessel shall meet SDWPL's minimum requirement prior to and during deployment.
- The vessel shall be ready in all respect to commence operations by mid-February 2016 for an approximate period of 3 months.
- The primary location and operation of the vessel shall be at the Agbami field.
- The vessel provided shall have minimum Dynamic Positioning (DP) 2/DP3 capability. Safety and life-saving equipment onboard the vessel shall meet current SOLAS requirements.
- The vessel shall be fitted for oil field support services and related duties.
- The vessel shall have a Master and full complement of officers and crew, all of whom shall be competent and capable of carrying out the required services.
- The vessel shall be self-catering i.e. meals and bunks should be provided on the vessel by the contractor.
- The vessel shall be capable of providing related/complementary services as advised by SDWPL using service order.
