

# **AGIP ENERGY & NATURAL RESOURCES (NIG.) LIMITED PROVISION OF CONTRACT FOR STATUTORY SHUTDOWN OF AGBARA PLATFORM**

**NipeX TENDER NO: 1000002388**

## **(1) INTRODUCTION**

**AGIP ENERGY AND NATURAL RESOURCES (AENR)** intends to perform the statutory shutdown maintenance activities on both Production and Drilling Platforms at Agbara Field OML 116. This is aimed at maintaining the plant and equipment in good and safe working conditions at all times.

Contractor shall take coverage of all costs and expenses for all services provided here under for the duration of the contract.

The proposed open contract shall cover a period of One (1) year plus one (1) year optional extension.

AENR, through this Tender Opportunity, announces to interested reputable Nigerian NJQS prequalified Companies in line with Clause 3 (2) of the NOGICD Act 2010 of the defined scope of service hereunder.

## **(2) SCOPE OF WORK**

**This shall include but not limited to the following:**

- (i) Supply and replacement of listed valves.
- (ii) Cleaning, inspection, and pressure testing.
- (iii) Of pressure vessels and calibration of pressure safety valves (PSVS).
- (iv) Nitrogen purging of pressure vessels.
- (v) Provision of stand by diesel generator.
- (vi) Certification of pressure vessels and PSVS.
- (vii) Inspection, NDT test (UTM, etc) of spools and;

(viii) Replacement of low integrity spools

### **(3) MANDATORY REQUIREMENTS**

(a) To be eligible for this tender exercise, interested Contractors are required to be pre-qualified under product code 3.05.25 – Valve Management Services including Testing and Repairing of NipeX Joint Qualification System (NJQS) data base. All successfully pre-qualified suppliers in these categories will receive Invitation to Technical Tender (ITT).

(b) To confirm if you are pre-qualified and view the product/service category you are listed for: Open <http://vendors.nipexjqs.com> and access NJQS with your log in details. Click on Products/Services Status tab to view your status and product codes.

(c) If you are not listed in a product/service category but you are registered with DPR to do business, contact NipeX office at **30, Oyinkan Abayomi Street, Ikoyi Lagos** with your DPR certificate as evidence for verification and necessary update.

(d) To initiate the NJQS pre-qualification process, access [www.nipex-ng.com](http://www.nipex-ng.com) click on services tab followed by NJQS registration.

(e) To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.

### **(4) NIGERIAN CONTENT**

Bidders are invited to express complete understanding and willingness to comply with provisions of the Nigerian Oil and Gas Industry Content Development (NOGICD) Act 2010. Consequently, bidders' submissions shall be evaluated strictly with the minimum evaluation criteria defined in 'The Act'.

The documentation for evaluation shall include, but not limited to the following:

(a) Demonstration that entity is a Nigerian registered company as defined in the NOGICD Act 2010 by providing details of Company ownership and shareholding structure with clear certified true copies of bidders' Corporate Affairs Commission (CAC) forms C02 and C07.

(b) Nigerian Content Plan that demonstrates the full utilization of Nigerian labour and services with detailed description of role, work scope and man-hours in order to achieve the minimum target as set out in the requirements of the NOGICD Act 2010. Where in-country capacity is inadequate, propose innovations to bridge the gap.

(c) Current and in-place organizational structure with detailed experience and skills of key management personnel with names. Provide evidence (personnel lists and positions with organizational chart to substantiate) of percentage of management that are Nigerian nationals and the percentage of the total workforce that are Nigerians.

(d) Where the bidding entity lacks capacity, genuine alliances with multinational companies for the purpose of technology transfer shall be encouraged. The alliance/joint venture shall be executed with binding Memorandum of Agreement (MOA) signed by chief executives of both entities stating clear work-share ratio among the parties and time frame for growth or transfer to be achieved.

(e) Evidence that the Global Maintenance service shall be performed in Nigeria with a clear demonstration of local office address (not P.O. Box) with verifiable evidence of staffing levels; this will be supported by full description of Nigerian office to domicile engineering.

(f) Detail past/present commitment to staff training and development of Nigerian personnel.

(g) Furnish detailed training plan for the service.

(h) Provide evidence (personnel list) of percentage management that are Nigerian nationals and of the total workforce that are Nigerians.

(i) Provide evidence to show that a minimum of 50% of the equipment to be deployed for the work is owned by the Nigerian subsidiary if international or multinational company is working through the Nigerian subsidiary including equipment list.

(j) Bidder's sourcing strategy/plan for this scope of service; and evidence of source of products, materials etc with details of the applicants relationship with local suppliers and service providers e.g. in the management of logistics, personnel etc.

(k) Evidence of the address and location where project management activities will be coordinated in Nigeria.

(i) Detailed specific programmes in place to transfer technology and skills to Nigerian businesses.

**NOTE:**

(i) Failure to meet the Nigerian Content requirements is a "FATAL FLAW."

(ii) Only Nigerian Companies are qualified for this service.

(iii) Bidders shall be requested to provide evidence to show their compliance with the above listed requirements at the ITT stage.

### **CLOSING DATE**

Only Tenderers who are pre-qualified with NJQS product code 3.05.25 – Valve Management Services including Testing and Repairing category, as at **12<sup>th</sup> October, 2017** being the advert closing date, shall be invited to submit Technical Bids.

### **ADDITIONAL INFORMATION**

This advertisement of “Tender Opportunity” shall not be construed as a commitment on part of AENR, nor shall it entitle Applicants to make any claims whatsoever and/or seek any indemnity from AENR and/or any of its Partners by virtue of such Applicants having responded to this Advert.

Please visit the NipeX Portal at [www.nipex-ng.com](http://www.nipex-ng.com) for this Advert and other information. Also note that this tender will be progressed through NipeX system.
