

Call for Proposals: Ref: Aid-620-A-1v00002

Fhi 360

The Science of Improving Lives

Strengthening Integrated Delivery of HIV/AIDS Services (SIDHAS)

The United States Agency for International Development (USAID) has awarded a grant to Family Health International (FHI 360) to implement interventions for Strengthening Integrated Delivery of HIV/AIDS Services in Nigeria. FHI 360 desires to sub grant part of the grant to Nigerian indigenous organizations that can effectively engage networks of CBOs and FBOs to develop and implement effective integrated community-based HIV/AIDS prevention and care programs in 20 selected states of Nigeria. On Dec 23, 2011, FHI 360 issued a Call For Proposals (CFP) for 15 states. This request is to cover the following five additional states **Kano, Enugu Sokoto, Oyo and Lagos** Sub grants for Lagos and Osun states will be administered by FHI 360's sub grantee Achieving Health Nigeria Initiative (AHNI). FHI 360 is soliciting proposals from indigenous Nigerian organizations with interest and capacity to deliver state-wide integrated community-based HIV/AIDS services in the target states.

Key sub-grant details:

Grant size: Naira 5,000,000 to 10,000,000 annually

Possible project life: Five years

Who can apply?

Registered Nigerian civil society organizations: (non-governmental organizations (NGOs), faith-based organizations (FBOs) and community-based organizations (CBOs) currently providing integrated community-based HIV/AIDS services in any of the above states. Organizations may apply individually or in partnership with others, and may obtain technical assistance from any type of organization. Each selected applicant will be required to cover the whole state through sub granting to other CBOs and FBOs.
