

## **Management Sciences for Health**

### **Subject: Expression of Interest for Facility Management**

Management Sciences for Health (MSH) is a nonprofit international organization dedicated to closing the gap between what is known and what is done about major problems in public health in developing nations. We believe that effective management of health services helps save lives and improve the health of the world's poorest and most vulnerable people.

MSH whose office is located at Block B, Plot 564/565, Off Independence Avenue, Opposite Interior Woodwork, before National Hospital, Central Area, Abuja, is looking for suitable registered companies to manage its office facilities, the office is a four story building in a compound of four buildings. MSH is currently occupying three floors of about 1581 square meters in size.

Interested companies who have wide range of experience in general facility management and who have business offices located in Abuja should indicate their interest through this email address [bids\\_nigeria@msh.org](mailto:bids_nigeria@msh.org) on or before February 15<sup>th</sup>, 2011. You will be invited to do physical inspection of the office, and also, our staff will be available to provide all other required information that will help you in putting up a proposal and budget. Detailed contact information (contact person and telephone numbers) of your organization is also required.
