Subject: Expression of Interest on Consultancy Services on Sustainable Livelihood in Nigeria-Phase 2

The USAID-funded Community-Based Support (CUBS) for Orphans and Vulnerable Children (OVC) project in Nigeria, invites consultancy firms/consultants to express interest to provide services. These services will facilitate implementation of livelihoods activities that will strengthen OVC households generally, and female heads of households in particular, in selected communities in 6 states.

Applicants requiring clarification and detailed Terms of Reference (ToR) should contact CUBS Gender Advisor as follows: samahson@aficare-ng.org Requests for ToR must be received latest
