

University of Ibadan, Ibadan

Invitation for Expression of Interest to Provide Constant Supply of Electricity to the Campus of the University

The University of Ibadan is the Premier University in Nigeria with present average power need of about 6 Megawatts. Major expansions are still going on through physical development program upgrade and introduction of new programs and research activities. The vision of the University is to be a world class institution for academic excellence geared towards meeting societal needs with a mission to expand the frontiers of knowledge through provision of excellent conditions for learning and research among other things. Constant power supply is a sine qua non for the actualization of this.

The University desires to have an uninterrupted power supply in aid of its teaching, research and other activities. To this end, bids are hereby invited from interested and reputable Power Companies with relevant experience and good track record to express interest in this regard.
