### **Invitation for Pre-Qualification of Prospective Contractors to Renovate Flagship Primary Health Centres**

The Lagos State Government recently developed a policy on Primary Health Care revitalization with a view to improve provision of quality, affordable and sustainable basic health care to the people.

Towards the implementation of this new policy, it has become necessary to rehabilitate the existing Primary Health Centres, starting with the newly designated 57 flagship Primary Health Centres that provide 24 hours services.

The State Government, through the Ministry- of Health and the Primary Health Care Board, has developed a plan to renovate the 57 flagship Primary Health Centres in phases and in the light of this, reputable contractors are hereby invited for pre-qualification to bid for the renovation projects.
